PART 59—INFRASTRUCTURE SHARING

Sec.

59.1 General duty.

59.2 Terms and conditions of infrastructure sharing.

59.3 Information concerning deployment of new services and equipment.

59.4 Definition of "qualifying carrier".

Authority: 47 U.S.C. 154(i), 154(j), 201–205, 259, 303(r), 403.

SOURCE: 62 FR 9713, Mar. 4, 1997, unless otherwise noted.

§ 59.1 General duty.

Incumbent local exchange carriers (as defined in 47 U.S.C. section 251(h)) shall make available to any qualifying carrier such public switched network

infrastructure, technology, information, and telecommunications facilities and functions as may be requested by such qualifying carrier for the purpose of enabling such qualifying carrier to provide telecommunications services, or to provide access to information services, in the service area in which such qualifying carrier has obtained designation as an eligible telecommunications carrier under section 214(e) of 47 U.S.C.

§ 59.2 Terms and conditions of infrastructure sharing.

- (a) An incumbent local exchange carrier subject to the requirements of section 59.1 shall not be required to take any action that is economically unreasonable or that is contrary to the public interest.
- (b) An incumbent local exchange carrier subject to the requirements of section 59.1 may, but shall not be required to, enter into joint ownership or operation of public switched network infrastructure, technology, information and telecommunications facilities and functions and services with a qualifying carrier as a method of fulfilling its obligations under section 59.1.
- (c) An incumbent local exchange carrier subject to the requirements of section 59.1 shall not be treated by the Commission or any State as a common carrier for hire or as offering common carrier services with respect to any public switched network infrastructure, technology, information, or telecommunications facilities, or functions made available to a qualifying carrier in accordance with regulations issued pursuant to this section.
- (d) An incumbent local exchange carrier subject to the requirements of section 59.1 shall make such public switched network infrastructure, technology, information, and telecommunications facilities, or functions available to a qualifying carrier on just and reasonable terms and pursuant to conditions that permit such qualifying carrier to fully benefit from the economies of scale and scope of such local exchange carrier. An incumbent local exchange carrier that has entered into an infrastructure sharing agreement pursuant to section 59.1 must give notice to the qualifying carrier at least
