

§ 61.83

(e) Tariffs may reference technical publications which describe the engineering, specifications, or other technical aspects of a service offering, provided the following conditions are satisfied:

(1) The tariff must contain a general description of the service offering, including basic parameters and structural elements of the offering;

(2) The technical publication includes no rates, regulatory terms, or conditions which are required to be contained in the tariff, and any revisions to the technical publication do not affect rates, regulatory terms, or conditions included in the tariff, and do not change the basic nature of the offering;

(3) The tariff indicates where the technical publication can be obtained;

(4) The referenced technical publication is publicly available before the tariff is scheduled to take effect; and

(5) The issuing carrier regularly revises its tariff to refer to the current edition of the referenced technical publication.

§ 61.83 Consecutive numbering.

Issuing carriers should file tariff publications under consecutive FCC numbers. If this cannot be done, a memorandum containing an explanation of the missing number or numbers must be submitted. Supplements to a tariff must be numbered consecutively in a separate series.

§ 61.86 Supplements.

An issuing carrier may not file a supplement except to suspend or cancel a tariff publication, or to defer the effective date of pending tariff revisions. A carrier may file a supplement for the voluntary deferral of a tariff publication.

§ 61.87 Cancellation of tariffs.

(a) An issuing carrier may cancel an entire tariff. Cancellation of a tariff automatically cancels every page and supplement to that tariff except for the canceling Title Page or first page.

47 CFR Ch. I (10–1–12 Edition)

(1) If the existing service(s) will be provided under another carrier's tariff, then

(i) The issuing carrier whose tariff is being canceled must revise the Title Page or the first page of its tariff indicating that the tariff is no longer effective, or

(ii) The issuing carrier under whose tariff the service(s) will be provided must revise the Title Page or first page of the tariff to be canceled, using the name and numbering shown in the heading of the tariff to be canceled, indicating that the tariff is no longer effective. This carrier must also file with the Commission the new tariff provisions reflecting the service(s) being canceled. Both filings must be effective on the same date and may be filed under the same transmittal.

(2) If a carrier canceling its tariff intends to cease to provide existing service, then it must revise the Title Page or first page of its tariff indicating that the tariff is no longer effective.

(3) A carrier canceling its tariff, as described in this section, must comply with §§ 61.54(b)(1) and 61.54(b)(5), as applicable.

(b) When a carrier cancels a tariff as described in this section, the canceling Title Page or the first page of the canceled tariff must show where all rates and regulations will be found except for paragraph (c) of this section. The Title Page or first page of the new tariff must indicate the name of the carrier and tariff number where the canceled material had been found.

(c) When a carrier ceases to provide service(s) without a successor, it must cancel its tariff pursuant to the notice requirements of § 61.58, as applicable, unless otherwise authorized by the Commission.
