EXTENSIONS AND SUPPLEMENTS

§ 63.01 Authority for all domestic common carriers.

(a) Any party that would be a domestic interstate communications common carrier is authorized to provide domestic, interstate services to any domestic point and to construct or operate any domestic transmission line as long as it obtains all necessary authorizations from the Commission for use of radio frequencies.

(b) Domestic common carriers subject to this section shall not engage in any line construction that may have a significant effect on the environment as defined in § 1.1307 of this chapter without prior compliance with the Commission's environmental rules. See § 1.1312 of this chapter.

[64 FR 39939, July 23, 1999, as amended at 67 FR 18830, Apr. 17, 2002]

§ 63.02 Exemptions for extensions of lines and for systems for the delivery of video programming.

(a) Any common carrier is exempt from the requirements of section 214 of the Communications Act of 1934, as amended, for the extension of any line.

47 CFR Ch. I (10–1–12 Edition)

(b) A common carrier shall not be required to obtain a certificate under section 214 of the Communications Act of 1934 with respect to the establishment or operation of a system for the delivery of video programming.

[64 FR 39939, July 23, 1999]

§ 63.03 Streamlining procedures for domestic transfer of control applications.

Any domestic carrier that seeks to transfer control of lines or authorization to operate pursuant to section 214 of the Communications Act of 1934, as amended, shall be subject to the following procedures:

(a) *Public notice and review period.* Upon determination by the Common Carrier Bureau that the applicants have filed a complete application and that the application is appropriate for streamlined treatment, the Common Carrier Bureau will issue a public notice stating that the application has been accepted for filing as a streamlined application. Unless otherwise notified by the Commission, an applicant is permitted to transfer control of the domestic lines or authorization to operate on the 31st day after the date of public notice listing a domestic section 214 transfer of control application as accepted for filing as a streamlined application, but only in accordance with the operations proposed in its application. Comments on streamlined applications may be filed during the first 14 days following public notice, and reply comments may be filed during the first 21 days following public notice, unless the public notice specifies a different pleading cycle. All comments on streamlined applications shall be filed electronically, and shall satisfy such other filing requirements as may be specified in the public notice.

(b) *Presumptive streamlined categories.* (1) The streamlined procedures provided in this rule shall be presumed to apply to all transfer of control applications in which:

(i) Both applicants are non-facilities-based carriers;

(ii) The transferee is not a telecommunications provider; or

(iii) The proposed transaction involves only the transfer of the local exchange assets of an incumbent LEC by
