**§ 68.2 Scope.**

(a) Except as provided in paragraphs (b) and (c) of this section, the rules and regulations apply to direct connection of all terminal equipment to the public

switched telephone network for use in conjunction with all services other than party line services.

(b) *National defense and security.* Where the Secretary of Defense or authorized agent or the head of any other governmental department, agency, or administration (approved in writing by the Commission to act pursuant to this rule) or authorized representative, certifies in writing to the appropriate common carrier that compliance with the provisions of part 68 could result in the disclosure of communications equipment or security devices, locations, uses, personnel, or activity which would adversely affect the national defense and security, such equipment or security devices may be connected to the telephone company provided communications network without compliance with this part, provided that each written certification states that:

(1) The connection is required in the interest of national defense and security;

(2) The equipment or device to be connected either complies with the technical criteria pertaining thereto or will not cause harm to the nationwide telephone network or to employees of any provider of wireline telecommunications; and

(3) The installation is performed by well-trained, qualified employees under the responsible supervision and control of a person who is a licensed professional engineer in the jurisdiction in which the installation is performed.

(c) Governmental departments, agencies, or administrations that wish to qualify for interconnection of equipment or security devices pursuant to this section shall file a request with the Secretary of this Commission stating the reasons why the exemption is requested. A list of these departments, agencies, or administrations that have filed requests shall be published in the FEDERAL REGISTER. The Commission may take action with respect to those requests 30 days after publication. The Commission action shall be published in the FEDERAL REGISTER. However, the Commission may grant, on less than the normal notice period or without notice, special temporary authority, not to exceed 90 days, for governmental
