Federal Communications Commission § 76.910

(h) For purposes of paragraph (b)(2) of this section, entities are affiliated if either entity has an attributable interest in the other or if a third party has an attributable interest in both entities. Attributable interest shall be defined by reference to the criteria set forth in Notes 1 through 5 to § 76.501.

(i) For purposes of paragraph (b)(4) of this section, entities are affiliated if either entity has an attributable interest in the other or if a third party has an attributable interest in both entities. Attributable interest shall be defined as follows:

(1) A 10% partnership or voting equity interest in a corporation will be cognizable.

(2) Subject to paragraph (i)(3), a limited partnership interest of 10% or more shall be attributed to a limited partner unless that partner is not materially involved, directly or indirectly, in the management or operation of the media-related activities of the partnership and the relevant entity so certifies. An interest in a Limited Liability Company (''LLC'') or Registered Limited Liability Partnership (''RLLP'') shall be attributed to the interest holder unless that interest holder is not materially involved, directly or indirectly, in the management or operation of the media-related activities of the partnership and the relevant entity so certifies. Certifications must be made pursuant to the guidelines set forth in Note 2(f) to § 76.501.

(3) Notwithstanding paragraph (i)(2), the holder of an equity or debt interest or interests in an entity covered by this rule shall have that interest attributed if the equity (including all stockholdings, whether voting or nonvoting, common or preferred, and partnership interests) and debt interest or interests, in the aggregate, exceed 33 percent of the total asset value (all equity plus all debt) of that entity.

(4) Discrete ownership interests held by the same individual or entity will be aggregated in determining whether or not an interest is cognizable under this section. An individual or entity will be deemed to have a cognizable investment if the sum of the interests other than those held by or through ''passive investors'' is equal to or exceeds 10%.

§ 76.906 Presumption of no effective competition.

In the absence of a demonstration to the contrary, cable systems are presumed not to be subject to effective competition.

§ 76.907 Petition for a determination of effective competition.

(a) A cable operator (or other interested party) may file a petition for a determination of effective competition with the Commission pursuant to the Commission's procedural rules in § 76.7.

(b) The cable operator bears the burden of rebutting the presumption that effective competition does not exist with evidence that effective competition, as defined in § 76.905, exists in the franchise area.

NOTE TO PARAGRAPH (b): The criteria for determining effective competition pursuant to § 76.905(b)(4) are described in Implementation of Cable Act Reform Provisions of the Telecommunications Act of 1996, Report and Order in CS Docket No. 96–85, FCC 99–57 (released March 29, 1999).

(c) If the evidence establishing effective competition is not otherwise available, cable operators may request from a competitor information regarding the competitor's reach and number of subscribers. A competitor must respond to such request within 15 days. Such responses may be limited to numerical totals. In addition, with respect to petitions filed seeking to demonstrate the presence of effective competition pursuant to § 76.905(b)(4), the Commission may issue an order directing one or more persons to produce information relevant to the petition's disposition.
