

## § 1.68

subject to the provisions of §§ 1.2105(b), 73.5002 and 73.3522 of this chapter regarding the modification of their applications.

(c) All broadcast permittees and licensees must report annually to the Commission any adverse finding or adverse final action taken by any court or administrative body that involves conduct bearing on the permittee's or licensee's character qualifications and that would be reportable in connection with an application for renewal as reflected in the renewal form. If a report is required by this paragraph(s), it shall be filed on the anniversary of the date that the licensee's renewal application is required to be filed, except that licensees owning multiple stations with different anniversary dates need file only one report per year on the anniversary of their choice, provided that their reports are not more than one year apart. Permittees and licensees bear the obligation to make diligent, good faith efforts to become knowledgeable of any such reportable adjudicated misconduct.

NOTE: The terms *adverse finding* and *adverse final action* as used in paragraph (c) of this section include adjudications made by an ultimate trier of fact, whether a government agency or court, but do not include factual determinations which are subject to review *de novo* unless the time for taking such review has expired under the relevant procedural rules. The pendency of an appeal of an adverse finding or adverse final action does not relieve a permittee or licensee from its obligation to report the finding or action.

### § 1.68 Action on application for license to cover construction permit.

(a) An application for license by the lawful holder of a construction permit will be granted without hearing where the Commission, upon examination of such application, finds that all the terms, conditions, and obligations set forth in the application and permit have been fully met, and that no cause or circumstance arising or first coming to the knowledge of the Commission since the granting of the permit would, in the judgment of the Commission,
