

§ 54.422

47 CFR Ch. I (10–1–13 Edition)

by the Commission. The following minimum requirements shall apply:

(i) The audit must be conducted by a licensed certified public accounting firm that is independent of the carrier.

(ii) The engagement shall be conducted consistent with government accounting standards (GAGAS).

(3) The certified public accounting firm shall submit to the Commission any rule interpretations necessary to complete the biennial audit, and the Administrator shall notify all firms subject to the biennial audit requirement of such requests. The audit issue will be noted, but not held as a negative finding, in future audit reports for all carriers subject to this requirement unless and until guidance has been provided by the Commission.

(4) Within 60 days after completion of the audit work, but prior to finalization of the report, the third party auditor shall submit a draft of the audit report to the Commission and the Administrator, who shall be deemed authorized users of such reports. Finalized audit reports must be provided to the Commission, the Administrator, and relevant states and Tribal governments within 30 days of the issuance of the final audit report. The reports will not be considered or deemed confidential.

(5) *Delegated authority.* The Wireline Competition Bureau and the Office of Managing Director have delegated authority to perform the functions specified in paragraphs (a)(2) and (a)(3) of this section.

(b) *Audit requirements for new eligible telecommunications carriers.* After a company is designated for the first time in any state or territory the Administrator will audit that new eligible telecommunications carrier to assess its overall compliance with the rules in this subpart and the company's internal controls regarding these regulatory requirements. This audit should be conducted within the carrier's first twelve months of seeking federal low-income Universal Service Fund support.

§ 54.422 Annual reporting for eligible telecommunications carriers that receive low-income support.

(a) In order to receive support under this subpart, an eligible telecommunications carrier must annually report:

(1) The company's holding name, names of the company's holding company, operating companies and affiliates, and any branding (a "dba," or "doing-business-as company" or brand designation) as well as relevant universal service identifiers for each such entity by Study Area Code. For purposes of this paragraph, "affiliates" has the meaning set forth in section 3(2) of the Communications Act of 1934, as amended; and

(2) Information describing the terms and conditions of any voice telephony service plans offered to Lifeline subscribers, including details on the number of minutes provided as part of the plan, additional charges, if any, for toll calls, and rates for each such plan. To the extent the eligible telecommunications carrier offers plans to Lifeline subscribers that are generally available to the public, it may provide summary information regarding such plans, such as a link to a public Web site outlining the terms and conditions of such plans.

(b) In order to receive support under this subpart, a common carrier that is designated as an eligible telecommunications carrier under section 214(e)(6) of the Act and does not receive support under subpart D of this part must annually provide:

(1) Detailed information on any outage in the prior calendar year, as that term is defined in 47 CFR 4.5, of at least 30 minutes in duration for each service area in which the eligible telecommunications carrier is designated for any facilities it owns, operates, leases, or otherwise utilizes that potentially affect

(i) At least ten percent of the end users served in a designated service area; or

(ii) A 911 special facility, as defined in 47 CFR 4.5(e).

(iii) Specifically, the eligible telecommunications carrier's annual report must include information detailing:

(A) The date and time of onset of the outage;

Federal Communications Commission

§ 54.500

(B) A brief description of the outage and its resolution;

(C) The particular services affected;

(D) The geographic areas affected by the outage;

(E) Steps taken to prevent a similar situation in the future; and

(F) The number of customers affected.

(2) The number of complaints per 1,000 connections (fixed or mobile) in the prior calendar year;

(3) Certification of compliance with applicable service quality standards and consumer protection rules;

(4) Certification that the carrier is able to function in emergency situations as set forth in § 54.202(a)(2).

(c) All reports required by this section must be filed with the Office of the Secretary of the Commission, and with the Administrator. Such reports must also be filed with the relevant state commissions and the relevant authority in a U.S. territory or Tribal governments, as appropriate.

Subpart F—Universal Service Support for Schools and Libraries

§ 54.500 Terms and definitions.

(a) *Billed entity*. A “billed entity” is the entity that remits payment to service providers for services rendered to eligible schools and libraries.

(b) *Educational purposes*. For purposes of this subpart, activities that are integral, immediate, and proximate to the education of students, or in the case of libraries, integral, immediate and proximate to the provision of library services to library patrons, qualify as “educational purposes.” Activities that occur on library or school property are presumed to be integral, immediate, and proximate to the education of students or the provision of library services to library patrons.

(c) *Elementary school*. An “elementary school” means an elementary school as defined in 20 U.S.C. 7801(18), a non-profit institutional day or residential school, including a public elementary charter school, that provides elementary education, as determined under state law.

(d) *Library*. A “library” includes:

(1) A public library;

(2) A public elementary school or secondary school library;

(3) An academic library;

(4) A research library, which for the purpose of this section means a library that:

(i) Makes publicly available library services and materials suitable for scholarly research and not otherwise available to the public; and

(ii) Is not an integral part of an institution of higher education; and

(5) A private library, but only if the state in which such private library is located determines that the library should be considered a library for the purposes of this definition.

(e) *Library consortium*. A “library consortium” is any local, statewide, regional, or interstate cooperative association of libraries that provides for the systematic and effective coordination of the resources of schools, public, academic, and special libraries and information centers, for improving services to the clientele of such libraries. For the purposes of these rules, references to library will also refer to library consortium.

(f) *Lowest corresponding price*. “Lowest corresponding price” is the lowest price that a service provider charges to non-residential customers who are similarly situated to a particular school, library, or library consortium for similar services.

(g) *Master contract*. A “master contract” is a contract negotiated with a service provider by a third party, the terms and conditions of which are then made available to an eligible school, library, rural health care provider, or consortium that purchases directly from the service provider.

(h) *Minor contract modification*. A “minor contract modification” is a change to a universal service contract that is within the scope of the original contract and has no effect or merely a negligible effect on price, quantity, quality, or delivery under the original contract.

(i) *National school lunch program*. The “national school lunch program” is a program administered by the U.S. Department of Agriculture and state agencies that provides free or reduced
