

(f) TRS providers shall provide written notice within five business days to the Disability Rights Office of the Consumer and Governmental Affairs Bureau of the Commission of any instance where the opt-out mechanisms do not work properly, to such a degree that consumers' inability to opt-out is more than an anomaly.

(1) The notice shall be in the form of a letter, and shall include the TRS provider's name, a description of the opt-out mechanism(s) used, the problem(s) experienced, the remedy proposed and when it will be/was implemented, whether the relevant state commission(s) has been notified, if applicable, and whether the state commission(s) has taken any action, a copy of the notice provided to customers, and contact information.

(2) Such notice shall be submitted even if the TRS provider offers other methods by which consumers may opt-out.

EFFECTIVE DATE NOTE: At 78 FR 40613, July 5, 2013, § 64.5109 was added. This section contain information collection and record-keeping requirements and will not become effective until approval has been given by the Office of Management and Budget.

§ 64.5110 Safeguards on the disclosure of customer proprietary network information.

(a) *Safeguarding CPNI.* TRS providers shall take all reasonable measures to discover and protect against attempts to gain unauthorized access to CPNI. TRS providers shall authenticate a customer prior to disclosing CPNI based on a customer-initiated telephone contact, TRS call, point-to-point call, online account access, or an in-store visit.

(b) *Telephone, TRS, and point-to-point access to CPNI.* A TRS provider shall authenticate a customer without the use of readily available biographical information, or account information, prior to allowing the customer telephonic, TRS, or point-to-point access to CPNI related to his or her TRS account. Alternatively, the customer may obtain telephonic, TRS, or point-to-point access to CPNI related to his or her TRS account through a password, as described in paragraph (e) of this section.

(c) *Online access to CPNI.* A TRS provider shall authenticate a customer without the use of readily available biographical information, or account information, prior to allowing the customer online access to CPNI related to his or her TRS account. Once authenticated, the customer may only obtain online access to CPNI related to his or her TRS account through a password, as described in paragraph (e) of this section.

(d) *In-store access to CPNI.* A TRS provider may disclose CPNI to a customer who, at a TRS provider's retail location, first presents to the TRS provider or its agent a valid photo ID matching the customer's account information.

(e) *Establishment of a password and back-up authentication methods for lost or forgotten passwords.* To establish a password, a TRS provider shall authenticate the customer without the use of readily available biographical information, or account information. TRS providers may create a back-up customer authentication method in the event of a lost or forgotten password, but such back-up customer authentication method may not prompt the customer for readily available biographical information, or account information. If a customer cannot provide the correct password or the correct response for the back-up customer authentication method, the customer shall establish a new password as described in this paragraph.

(f) *Notification of account changes.* TRS providers shall notify customers immediately whenever a password, customer response to a back-up means of authentication for lost or forgotten passwords, online account, or address of record is created or changed. This notification is not required when the customer initiates service, including the selection of a password at service initiation. This notification may be through a TRS provider-originated voicemail, text message, or video mail to the telephone number of record, by mail to the physical address of record, or by email to the email address of record, and shall not reveal the changed information or be sent to the new account information.

EFFECTIVE DATE NOTE: At 78 FR 40613, July 5, 2013, § 64.5110 was added. This section contains information collection and record-keeping requirements and will not become effective until approval has been given by the Office of Management and Budget.

§ 64.5111 Notification of customer proprietary network information security breaches.

(a) A TRS provider shall notify law enforcement of a breach of its customers' CPNI as provided in this section. The TRS provider shall not notify its customers or disclose the breach publicly, whether voluntarily or under state or local law or these rules, until it has completed the process of notifying law enforcement pursuant to paragraph (b) of this section. The TRS provider shall file a copy of the notification with the Disability Rights Office of the Consumer and Governmental Affairs Bureau at the same time as when the TRS provider notifies the customers.

(b) As soon as practicable, and in no event later than seven (7) business days, after reasonable determination of the breach, the TRS provider shall electronically notify the United States Secret Service (USSS) and the Federal Bureau of Investigation (FBI) through a central reporting facility. The Commission will maintain a link to the reporting facility at <http://www.fcc.gov/eb/cpni>.

(1) Notwithstanding any state law to the contrary, the TRS provider shall not notify customers or disclose the breach to the public until 7 full business days have passed after notification to the USSS and the FBI except as provided in paragraphs (b)(2) and (3) of this section.

(2) If the TRS provider believes that there is an extraordinarily urgent need to notify any class of affected customers sooner than otherwise allowed under paragraph (b)(1) of this section, in order to avoid immediate and irreparable harm, it shall so indicate in its notification and may proceed to immediately notify its affected customers only after consultation with the relevant investigating agency. The TRS provider shall cooperate with the relevant investigating agency's request to minimize any adverse effects of such customer notification.

(3) If the relevant investigating agency determines that public disclosure or notice to customers would impede or compromise an ongoing or potential criminal investigation or national security, such agency may direct the TRS provider not to so disclose or notify for an initial period of up to 30 days. Such period may be extended by the agency as reasonably necessary in the judgment of the agency. If such direction is given, the agency shall notify the TRS provider when it appears that public disclosure or notice to affected customers will no longer impede or compromise a criminal investigation or national security. The agency shall provide in writing its initial direction to the TRS provider, any subsequent extension, and any notification that notice will no longer impede or compromise a criminal investigation or national security and such writings shall be contemporaneously logged on the same reporting facility that contains records of notifications filed by TRS providers.

(c) *Customer notification.* After a TRS provider has completed the process of notifying law enforcement pursuant to paragraph (b) of this section, and consistent with the waiting requirements specified in paragraph (b) of this section, the TRS provider shall notify its customers of a breach of those customers' CPNI.

(d) *Recordkeeping.* All TRS providers shall maintain a record, electronically or in some other manner, of any breaches discovered, notifications made to the USSS and the FBI pursuant to paragraph (b) of this section, and notifications made to customers. The record must include, if available, dates of discovery and notification, a detailed description of the CPNI that was the subject of the breach, and the circumstances of the breach. TRS providers shall retain the record for a minimum of 2 years.

(e) *Definition.* As used in this section, a "breach" has occurred when a person, without authorization or exceeding authorization, has intentionally gained access to, used, or disclosed CPNI.

(f) This section does not supersede any statute, regulation, order, or interpretation in any State, except to the extent that such statute, regulation,
