

telecommunications carrier shall not terminate the subscriber's Lifeline service. Eligible telecommunications carriers shall report to the Commission annually the number of subscribers de-enrolled for non-usage under this paragraph. This de-enrollment information must be reported by month and must be submitted to the Commission at the time an eligible telecommunications carrier submits its annual certification report pursuant to § 54.416.

(4) *De-enrollment for failure to re-certify.* Notwithstanding paragraph (e)(1) of this section, an eligible telecommunications carrier must de-enroll a Lifeline subscriber who does not respond to the carrier's attempts to obtain re-certification of the subscriber's continued eligibility as required by § 54.410(f); who fails to provide the annual one-per-household re-certifications as required by § 54.410(f); or who relies on a temporary address and fails to respond to the carrier's address re-certification attempts pursuant to § 54.410(g). Prior to de-enrolling a subscriber under this paragraph, the eligible telecommunications carrier must notify the subscriber in writing separate from the subscriber's monthly bill, if one is provided using clear, easily understood language, that failure to respond to the re-certification request within 30 days of the date of the request will trigger de-enrollment. If a subscriber does not respond to the carrier's notice of impending de-enrollment, the carrier must de-enroll the subscriber from Lifeline within five business days after the expiration of the subscriber's time to respond to the re-certification efforts.

#### **§ 54.407 Reimbursement for offering Lifeline.**

(a) Universal service support for providing Lifeline shall be provided directly to an eligible telecommunications carrier, based on the number of actual qualifying low-income consumers it serves.

(b) An eligible telecommunications carrier may receive universal service support reimbursement for each qualifying low-income consumer served. For each qualifying low-income consumer receiving Lifeline service, the reim-

bursement amount shall equal the federal support amount, including the support amounts described in § 54.403(a) and (c). The eligible telecommunications carrier's universal service support reimbursement shall not exceed the carrier's rate for that offering, or similar offerings, subscribed to by consumers who do not qualify for Lifeline.

(c) An eligible telecommunications carrier offering a Lifeline service that does not require the eligible telecommunications carrier to assess or collect a monthly fee from its subscribers:

(1) Shall not receive universal service support for a subscriber to such Lifeline service until the subscriber activates the service by whatever means specified by the carrier, such as completing an outbound call; and

(2) After service activation, an eligible telecommunications carrier shall only continue to receive universal service support reimbursement for such Lifeline service provided to subscribers who have used the service within the last 60 days, or who have cured their non-usage as provided for in § 54.405(e)(3). Any of these activities, if undertaken by the subscriber will establish "usage" of the Lifeline service:

(i) Completion of an outbound call;

(ii) Purchase of minutes from the eligible telecommunications carrier to add to the subscriber's service plan;

(iii) Answering an incoming call from a party other than the eligible telecommunications carrier or the eligible telecommunications carrier's agent or representative; or

(iv) Responding to direct contact from the eligible communications carrier and confirming that he or she wants to continue receiving the Lifeline service.

(d) In order to receive universal service support reimbursement, an eligible telecommunications carrier must certify, as part of each request for reimbursement, that it is in compliance with all of the rules in this subpart, and, to the extent required under this subpart, has obtained valid certification and re-certification forms for each of the subscribers for whom it is seeking reimbursement.

(e) In order to receive universal service support reimbursement, an eligible

### § 54.409 Consumer qualification for Lifeline.

(a) To constitute a qualifying low-income consumer:

(1) A consumer's household income as defined in § 54.400(f) must be at or below 135% of the Federal Poverty Guidelines for a household of that size; or

(2) The consumer, one or more of the consumer's dependents, or the consumer's household must receive benefits from one of the following federal assistance programs: Medicaid; Supplemental Nutrition Assistance Program; Supplemental Security Income; Federal Public Housing Assistance (Section 8); Low-Income Home Energy Assistance Program; National School Lunch Program's free lunch program; or Temporary Assistance for Needy Families; or

(3) The consumer meets additional eligibility criteria established by a state for its residents, provided that such-state specific criteria are based solely on income or other factors directly related to income.

(b) A consumer who lives on Tribal lands is eligible for Lifeline service as a "qualifying low-income consumer" as defined by § 54.400(a) and as an "eligible resident of Tribal lands" as defined by § 54.400(e) if that consumer meets the qualifications for Lifeline specified in paragraph (a) of this section or if the consumer, one or more of the consumer's dependents, or the consumer's household participates in one of the following Tribal-specific federal assistance programs: Bureau of Indian Affairs general assistance; Tribally administered Temporary Assistance for Needy Families; Head Start (only those households meeting its income qualifying standard); or the Food Distribution Program on Indian Reservations.

(c) In addition to meeting the qualifications provided in paragraph (a) or

## 47 CFR Ch. I (10–1–14 Edition)

(b) of this section, in order to constitute a qualifying low-income consumer, a consumer must not already be receiving a Lifeline service, and there must not be anyone else in the subscriber's household subscribed to a Lifeline service.

### § 54.410 Subscriber eligibility determination and certification.

(a) All eligible telecommunications carriers must implement policies and procedures for ensuring that their Lifeline subscribers are eligible to receive Lifeline services. An eligible telecommunications carrier may not provide a consumer with an activated device that it represents enables use of Lifeline-supported service, nor may it activate service that it represents to be Lifeline service, unless and until it has:

(1) Confirmed that the consumer is a qualifying low-income consumer pursuant to § 54.409, and;

(2) Completed the eligibility determination and certification required by this section and §§ 54.404 through 54.405, and completed any other necessary enrollment steps.

(b) *Initial income-based eligibility determination.* (1) Except where a state Lifeline administrator or other state agency is responsible for the initial determination of a subscriber's eligibility, when a prospective subscriber seeks to qualify for Lifeline or using the income-based eligibility criteria provided for in § 54.409(a)(1) or (a)(3) an eligible telecommunications carrier:

(i) Must not seek reimbursement for providing Lifeline to a subscriber, unless the carrier has received a certification of eligibility from the prospective subscriber that complies with the requirements set forth in paragraph (d) of this section and has confirmed the subscriber's income-based eligibility using the following procedures:

(A) If an eligible telecommunications carrier can determine a prospective subscriber's income-based eligibility by accessing one or more databases containing information regarding the subscriber's income ("income databases"), the eligible telecommunications carrier must access such income databases
