

## Federal Communications Commission

## § 1.1917

§ 1.1912(b)(4), the Commission may request OPM to offset a debtor's anticipated or future benefit payments under the Civil Service Retirement and Disability Fund (Fund) in accordance with regulations codified at 5 CFR 831.1801-831.1808. Upon receipt of such a request, OPM will identify and "flag" a debtor's account in anticipation of the time when the debtor requests, or becomes eligible to receive, payments from the Fund. This will satisfy any requirement that offset be initiated prior to the expiration of the time limitations referenced in § 1.1914(a)(4).

### § 1.1914 Collection in installments.

(a) Subject to the Commission's rules pertaining to the installment loan program (*see e.g.*, 47 CFR § 1.2110(g)), subpart Q or other agreements among the parties, the terms of which will control, whenever feasible, the Commission shall collect the total amount of a debt in one lump sum. If a debtor is financially unable to pay a debt in one lump sum, the Commission, in its sole discretion, may accept payment in regular installments. The Commission will obtain financial statements from debtors who represent that they are unable to pay in one lump sum and which are able to verify independently such representations (*see* 31 CFR 902.2(g)). The Commission will require and obtain a legally enforceable written agreement from the debtor that specifies all of the terms of the arrangement, including, as appropriate, sureties and other indicia of creditworthiness (*see* Federal Credit Reform Act of 1990, 2 U.S.C. 661, *et seq.*, OMB Circular A-129), and that contains a provision accelerating the debt in the event of default.

(b) The size and frequency of installment payments should bear a reasonable relation to the size of the debt and the debtor's ability to pay. If possible, the installment payments will be sufficient in size and frequency to liquidate the debt in three years or less.

(c) Security for deferred payments will be obtained in appropriate cases. The Commission may accept installment payments notwithstanding the refusal of the debtor to execute a written agreement or to give security, at the Commission's option.

(d) The Commission may deny the extension of credit to any debtor who fails to provide the records requested or fails to show an ability to pay the debt.

### § 1.1915 Exploration of compromise.

The Commission may attempt to effect compromise, preferably during the course of personal interviews, in accordance with the standards set forth in part 902 of the Federal Claims Collection Standards (31 CFR part 902). The Commission will also consider a request submitted by the debtor to compromise the debt. Such requests should be submitted in writing with full justification of the offer and addressing the bases for compromise at 31 CFR 902.2. Debtors will provide full financial information to support any request for compromise based on the debtor's inability to pay the debt. Unless otherwise provided by law, when the principal balance of a debt, exclusive of interest, penalties, and administrative costs, exceeds \$100,000 or any higher amount authorized by the Attorney General, the authority to accept the compromise rests with the Department of Justice. The Commission will evaluate an offer, using the factors set forth in 31 CFR 902.2 and, as appropriate, refer the offer with the appropriate financial information to the Department of Justice. Department of Justice approval is not required if the Commission rejects a compromise offer.

### § 1.1916 Suspending or terminating collection action.

The suspension or termination of collection action shall be made in accordance with the standards set forth in part 903 of the Federal Claims Collection Standards (31 CFR part 903).

### § 1.1917 Referrals to the Department of Justice and transfer of delinquent debt to the Secretary of Treasury.

(a) Referrals to the Department of Justice shall be made in accordance with the standards set forth in part 904 of the Federal Claims Collection Standards (31 CFR part 904).

(b) The DCIA includes separate provisions governing the requirements that the Commission transfer delinquent

debts to Treasury for general collection purposes (cross-servicing) in accordance with 31 U.S.C. 3711(g)(1) and (2), and notify Treasury of delinquent debts for the purpose of administrative offset in accordance with 31 U.S.C. 3716(c)(6). Title 31, U.S.C. 3711(g)(1) requires the Commission to transfer to Treasury all collection activity for a given debt. Under section 3711(g), Treasury will use all appropriate debt collection tools to collect the debt, including referral to a designated debt collection center or private collection agency, and administrative offset. Once a debt has been transferred to Treasury pursuant to the procedures at 31 CFR 285.12, the Commission will cease all collection activity related to that debt.

(c) All non-tax debts of claims owed to the Commission that have been delinquent for a period of 120 days shall be transferred to the Secretary of the Treasury. Debts which are less than 120 days delinquent may also be referred to the Treasury. Upon such transfer the Secretary of the Treasury shall take appropriate action to collect or terminate collection actions on the debt or claim. A debt is past-due if it has not been paid by the date specified in the Commission's initial written demand for payment or applicable agreement or instrument (including a post-delinquency payment agreement) unless other satisfactory payment arrangements have been made.

(4) Review Commission records to determine that the individual has not—

(i) Repaid or agreed to repay the claim under a written repayment plan agreed to and signed by both the individual and the Commission's representative; or, if eligible; and

(2) Verify or correct promptly information about the claim, on request of a consumer reporting agency for verification of any or all information so disclosed; and
