§ 1.30000

prices will be public or non-public during the competitive bidding process;

(5) The methods and times for submission of bids, whether remotely, by telephonic or electronic transmission, or in person;

(6) The number of rounds during which bids may be submitted, e.g., one or more, and procedures for ending the bidding;

(7) Measurements of bidding activity in the aggregate or by individual applicants, together with requirements for minimum levels of bidding activity;

(8) Acceptable bid amounts at the opening of and over the course of bidding;

(9) Consistent with the public interest objectives of the competitive bidding, the process for reviewing bids and determining the winning bidders and the amount(s) of universal service support that each winning bidder may apply for, pursuant to applicable post-auction procedures;

(10) Procedures, if any, by which bidders may withdraw bids; and

(11) Procedures by which bidding may be delayed, suspended, or canceled before or after bidding begins for any reason that affects the fair and efficient conduct of the bidding, including natural disasters, technical failures, administrative necessity, or any other reason.

(c) *Apportioning Package Bids.* If the public notice establishing detailed competitive bidding procedures adopts procedures for bidding for support on combinations or packages of geographic areas, the public notice also shall establish a methodology for apportioning such bids among the geographic areas within the combination or package for purposes of implementing any Commission rule or procedure that requires a discrete bid for support in relation to a specific geographic area.

(d) *Public Notice of Competitive Bidding Results.* After the conclusion of competitive bidding, a public notice shall identify the winning bidders that may apply for the offered universal service support and the amount(s) of support for which they may apply, and shall detail the application procedures.

§ 1.21004 Winning bidder's obligation to apply for support

(a) *Timely and Sufficient Application.* A winning bidder has a binding obligation to apply for support by the applicable deadline. A winning bidder that fails to file an application by the applicable deadline or that for any reason is not subsequently authorized to receive support has defaulted on its bid.

(b) *Liability for Default Payment.* A winning bidder that defaults is liable for a default payment, which will be calculated by a method that will be established as provided in a public notice prior to competitive bidding. If the default payment is determined as a percentage of the defaulted bid amount, the default payment will not exceed twenty percent of the amount of the defaulted bid amount.

(c) *Additional Liabilities.* A winning bidder that defaults, in addition to being liable for a default payment, shall be subject to such measures as the Commission may provide, including but not limited to disqualification from future competitive bidding pursuant to this subpart AA, competitive bidding for universal service support.

Subpart BB—Disturbance of AM Broadcast Station Antenna Patterns

SOURCE: 78 FR 66295, Nov. 5, 2013, as amended at 78 FR 70499, Nov. 26, 2013, unless otherwise noted.

§ 1.30000 Purpose.

This rule part protects the operations of AM broadcast stations from nearby tower construction that may distort the AM antenna patterns. All parties holding or applying for Commission authorizations that propose to construct or make a significant modification to an antenna tower or support structure in the immediate vicinity of an AM antenna, or propose to install an antenna on an AM tower, are responsible for completing the analysis and notice process described in this subpart, and for taking any measures necessary to correct disturbances of the AM radiation pattern, if such disturbances occur as a result of the tower construction or modification or
