

to be designated an Eligible Telecommunications Carrier may participate in any Mobility Fund Phase I auction, including any auction for support solely in Tribal lands, by bidding for support in areas located within the boundaries of the Tribal land associated with the Tribe that owns or controls the entity. To bid on this basis, an entity shall certify that it is a Tribally-owned or -controlled entity and identify the applicable Tribe and Tribal lands in its application to participate in the competitive bidding. A Tribally-owned or -controlled entity shall receive Mobility Fund Phase I support only after it has become an Eligible Telecommunications Carrier.

(b) In any auction for support solely in Tribal lands, coverage units for purposes of conducting competitive bidding and disbursing support based on designated population will be identified by public notice for each census block eligible for support.

(c) Tribally-owned or -controlled entities may receive a bidding credit with respect to bids for support within the boundaries of associated Tribal lands. To qualify for a bidding credit, an applicant shall certify that it is a Tribally-owned or -controlled entity and identify the applicable Tribe and Tribal lands in its application to participate in the competitive bidding. An applicant that qualifies shall have its bid(s) for support in areas within the boundaries of Tribal land associated with the Tribe that owns or controls the applicant reduced by twenty-five (25) percent or purposes of determining winning bidders without any reduction in the amount of support available.

(d) A winning bidder for support in Tribal lands shall notify and engage the Tribal governments responsible for the areas supported.

(1) A winning bidder's engagement with the applicable Tribal government shall consist, at a minimum, of discussion regarding:

(i) A needs assessment and deployment planning with a focus on Tribal community anchor institutions;

(ii) Feasibility and sustainability planning;

(iii) Marketing services in a culturally sensitive manner;

(iv) Rights of way processes, land use permitting, facilities siting, environmental and cultural preservation review processes; and

(v) Compliance with Tribal business and licensing requirements.

(2) A winning bidder shall notify the appropriate Tribal government of its winning bid no later than five (5) business days after being identified by public notice as a winning bidder.

(3) A winning bidder shall certify in its application for support that it has substantively engaged appropriate Tribal officials regarding the issues specified in § 54.1004(d)(1), at a minimum, as well as any other issues specified by the Commission, and provide a summary of the results of such engagement. A copy of the certification and summary shall be sent to the appropriate Tribal officials when it is sent to the Commission.

(4) A winning bidder for support in Tribal lands shall certify in its annual report, pursuant to § 54.1009(a)(5), and prior to disbursement of support, pursuant to § 54.1008(c), that it has substantively engaged appropriate Tribal officials regarding the issues specified in § 54.1004(d)(1), at a minimum, as well as any other issues specified by the Commission, and provide a summary of the results of such engagement. A copy of the certification and summary shall be sent to the appropriate Tribal officials when it is sent to the Commission.

§ 54.1005 Application process.

(a) *Application to participate in competitive bidding for Mobility Fund Phase I support.* In addition to providing information specified in § 1.21001(b) of this chapter and any other information required by the Commission, an applicant to participate in competitive bidding for Mobility Fund Phase I support also shall:

(1) Provide ownership information as set forth in § 1.2112(a) of this chapter;

(2) Certify that the applicant is financially and technically capable of meeting the public interest obligations of § 54.1006 in each area for which it seeks support;

(3) Disclose its status as an Eligible Telecommunications Carrier in any area for which it will seek support or

as a Tribal entity with a pending application to become an Eligible Telecommunications Carrier in any such area, and certify that the disclosure is accurate;

(4) Describe the spectrum access that the applicant plans to use to meet obligations in areas for which it will bid for support, including whether the applicant currently holds a license for or leases the spectrum, and certify that the description is accurate and that the applicant will retain such access for at least five (5) years after the date on which it is authorized to receive support;

(5) Certify that it will not bid on any areas in which it has made a public commitment to deploy 3G or better wireless service by December 31, 2012; and

(6) Make any applicable certifications required in § 54.1004.

(b) *Application by winning bidders for Mobility Fund Phase I support*—(1) *Deadline.* Unless otherwise provided by public notice, winning bidders for Mobility Fund Phase I support shall file an application for Mobility Fund Phase I support no later than 10 business days after the public notice identifying them as winning bidders.

(2) *Application contents.* (i) Identification of the party seeking the support, including ownership information as set forth in § 1.2112(a) of this chapter.

(ii) Certification that the applicant is financially and technically capable of meeting the public interest obligations of § 54.1006 in the geographic areas for which it seeks support.

(iii) Proof of the applicant's status as an Eligible Telecommunications Carrier or as a Tribal entity with a pending application to become an Eligible Telecommunications Carrier in any area for which it seeks support and certification that the proof is accurate.

(iv) A description of the spectrum access that the applicant plans to use to meet obligations in areas for which it is the winning bidder for support, including whether the applicant currently holds a license for or leases the spectrum, and a certification that the description is accurate and that the applicant will retain such access for at least five (5) years after the date on

which it is authorized to receive support.

(v) A detailed project description that describes the network, identifies the proposed technology, demonstrates that the project is technically feasible, discloses the budget and describes each specific phase of the project, *e.g.*, network design, construction, deployment, and maintenance. The applicant shall indicate whether the supported network will provide third generation (3G) mobile service within the period prescribed by § 54.1006(a) or fourth generation (4G) mobile service within the period prescribed by § 54.1006(b).

(vi) Certifications that the applicant has available funds for all project costs that exceed the amount of support to be received from Mobility Fund Phase I and that the applicant will comply with all program requirements.

(vii) Any guarantee of performance that the Commission may require by public notice or other proceedings, including but not limited to the letters of credit required in § 54.1007, or a written commitment from an acceptable bank, as defined in § 54.1007(a)(1), to issue such a letter of credit.

(viii) Certification that the applicant will offer service in supported areas at rates that are within a reasonable range of rates for similar service plans offered by mobile wireless providers in urban areas for a period extending until five (5) years after the date on which it is authorized to receive support.

(ix) Any applicable certifications and showings required in § 54.1004.

(x) Certification that the party submitting the application is authorized to do so on behalf of the applicant.

(xi) Such additional information as the Commission may require.

(3) *Application processing.* (i) No application will be considered unless it has been submitted in an acceptable form during the period specified by public notice. No applications submitted or demonstrations made at any other time shall be accepted or considered.

(ii) Any application that, as of the submission deadline, either does not identify the applicant seeking support as specified in the public notice announcing application procedures or

does not include required certifications shall be denied.

(iii) An applicant may be afforded an opportunity to make minor modifications to amend its application or correct defects noted by the applicant, the Commission, the Administrator, or other parties. Minor modifications include correcting typographical errors in the application and supplying non-material information that was inadvertently omitted or was not available at the time the application was submitted.

(iv) Applications to which major modifications are made after the deadline for submitting applications shall be denied. Major modifications include, but are not limited to, any changes in the ownership of the applicant that constitute an assignment or change of control, or the identity of the applicant, or the certifications required in the application.

(v) After receipt and review of the applications, a public notice shall identify each winning bidder that may be authorized to receive Mobility Fund Phase I support after the winning bidder submits a Letter of Credit and an accompanying opinion letter as required by § 54.1007, in a form acceptable to the Commission, and any final designation as an Eligible Telecommunications Carrier that any Tribally-owned or -controlled applicant may still require. Each such winning bidder shall submit a Letter of Credit and an accompanying opinion letter as required by § 54.1007, in a form acceptable to the Commission, and any required final designation as an Eligible Telecommunications Carrier no later than 10 business days following the release of the public notice.

(vi) After receipt of all necessary information, a public notice will identify each winning bidder that is authorized to receive Mobility Fund Phase I support.

§ 54.1006 Public interest obligations.

(a) *Deadline for construction—3G networks.* A winning bidder authorized to receive Mobility Fund Phase I support that indicated in its application that it would provide third generation (3G) service on the supported network shall, no later than two (2) years after the

date on which it was authorized to receive support, submit data from drive tests covering the area for which support was received demonstrating mobile transmissions supporting voice and data to and from the network covering 75% of the designated coverage units in the area deemed uncovered, or a higher percentage established by Public Notice prior to the competitive bidding, and meeting or exceeding the following:

(1) Outdoor minimum data transmission rates of 50 kbps uplink and 200 kbps downlink at vehicle speeds appropriate for the roads covered;

(2) Transmission latency low enough to enable the use of real time applications, such as VoIP.

(b) *Deadline for construction—4G networks.* A winning bidder authorized to receive Mobility Fund Phase I support that indicated in its application that it would provide fourth generation (4G) service on the supported network shall, no later than three (3) years after the date on which it was authorized to receive support, submit data from drive tests covering the area for which support was received demonstrating mobile transmissions supporting voice and data to and from the network covering 75% of the designated coverage units in the area deemed uncovered, or an applicable higher percentage established by public notice prior to the competitive bidding, and meeting or exceeding the following:

(1) Outdoor minimum data transmission rates of 200 kbps uplink and 768 kbps downlink at vehicle speeds appropriate for the roads covered;

(2) Transmission latency low enough to enable the use of real time applications, such as VoIP.

(c) *Coverage test data.* Drive tests submitted in compliance with a recipient's public interest obligations shall cover roads designated in the public notice detailing the procedures for the competitive bidding that is the basis of the recipient's support. Scattered site tests submitted in compliance with a recipient's public interest obligations shall be in compliance with standards set forth in the public notice detailing the procedures for the competitive bidding that is the basis of the recipient's authorized support.
