

Federal Communications Commission

§ 54.1009

bidder's bankruptcy estate under section 541 of the Bankruptcy Code.

(c) Authorization to receive Mobility Fund Phase I support is conditioned upon full and timely performance of all of the requirements set forth in § 54.1006 and any additional terms and conditions upon which the support was granted.

(1) Failure by a winning bidder authorized to receive Mobility Fund Phase I support to comply with any of the requirements set forth in § 54.1006 or any other term or conditions upon which support was granted, or its loss of eligibility for any reason for Mobility Fund Phase I support, will be deemed an automatic performance default, will entitle the Commission to draw the entire amount of the letter of credit, and may disqualify the winning bidder from the receipt of Mobility Fund Phase I support or additional USF support.

(2) A performance default will be evidenced by a letter issued by the Chief of either the Wireless Bureau or Wireline Bureau or their respective designees, which letter, attached to a standby letter of credit draw certificate, shall be sufficient for a draw on the standby letter of credit for the entire amount of the standby letter of credit.

§ 54.1008 Mobility Fund Phase I disbursements.

(a) A winning bidder for Mobility Fund Phase I support will be advised by public notice whether it has been authorized to receive support. The public notice will detail how disbursement will be made available.

(b) Mobility Fund Phase I support will be available for disbursement to authorized winning bidders in three stages.

(1) One-third of the total possible support, if coverage were to be extended to 100 percent of the units deemed unserved in the geographic area, when the winning bidder is authorized to receive support.

(2) One-third of the total possible support with respect to a specific geographic area when the recipient demonstrates coverage of 50 percent of the coverage requirements of § 54.1006(a) or (b), as applicable.

(3) The remainder of the total support, based on the final total units covered, when the recipient demonstrates coverage meeting the requirements of § 54.1006(a) or (b), as applicable.

(c) A recipient accepting a final disbursement for a specific geographic area based on coverage of less than 100 percent of the units in the area previously deemed unserved waives any claim for the remainder of potential Mobility Fund Phase I support with respect to that area.

(d) Prior to each disbursement request, a winning bidder for support in a Tribal land will be required to certify that it has substantively engaged appropriate Tribal officials regarding the issues specified in § 54.1004(d)(1), at a minimum, as well as any other issues specified by the Commission and to provide a summary of the results of such engagement.

(e) Prior to each disbursement request, a winning bidder will be required to certify that it is in compliance with all requirements for receipt of Mobility Fund Phase I support at the time that it requests the disbursement.

§ 54.1009 Annual reports.

(a) A winning bidder authorized to receive Mobility Fund Phase I support shall submit an annual report no later than July 1 in each year for the five years after it was so authorized. Each annual report shall include the following, or reference the inclusion of the following in other reports filed with the Commission for the applicable year:

(1) Electronic Shapefiles site coverage plots illustrating the area newly reached by mobile services at a minimum scale of 1:240,000;

(2) A list of relevant census blocks previously deemed unserved, with road miles and total resident population and resident population residing in areas newly reached by mobile services (based on Census Bureau data and estimates);

(3) If any such testing has been conducted, data received or used from drive tests, or scattered site testing in areas where drive tests are not feasible, analyzing network coverage for mobile services in the area for which support was received;
