EFFECTIVE DATE NOTE: At 80 FR 40935, July 14, 2015, § 54.417 was revised. This section contains information collection and record-keeping requirements and will not become effective until approval has been given by the Office of Management and Budget.

§ 54.418 Digital Television Transition Notices by Eligible Telecommunications Carriers.

(a) Eligible telecommunications carriers (ETCs) that receive federal universal service funds shall provide their Lifeline or Link-Up customers with notices about the transition for over-the-air full power broadcasting from analog to digital service (the "DTV Transition") in the monthly bills or bill notices received by such customers, or as a monthly stand-alone mailer (*e.g.*, postcard, brochure), beginning April 1, 2009, and concluding on June 30, 2009.

(b) The notice must be provided as part of an information section on the bill or bill notice itself or on a secondary document mailed with the bill or bill notice, or as part of a monthly stand-alone mailer (*e.g.*, postcard, brochure) in the same language or languages as the customer's bill or bill notice. These notices must:

- (1) Be in clear and conspicuous print;
- (2) Convey at least the following information about the DTV transition:

§ 54.419

(i) The nationwide switch to digital television broadcasting will be complete on June 12, 2009, but your local television stations may switch sooner. After the switch, analog-only television sets that receive TV programming through an antenna will need a converter box to continue to receive over-the-air TV. Watch your local stations to find out when they will turn off their analog signal and switch to digital-only broadcasting. Analog-only TVs should continue to work as before to receive low power, Class A or translator television stations and with cable and satellite TV services, gaming consoles, VCRs, DVD players, and similar products.

(ii) Information about the DTV transition is available from your local television stations, <http://www.DTV.gov>, or 1-888-CALL-FCC (TTY 1-888-TELL-FCC), and from <http://www.dtv2009.gov> or 1-888-DTV-2009 (TTY 1-877-530-2634) for information about subsidized coupons for digital-to-analog converter boxes;

(c) If an ETC's Lifeline or Link-Up customer does not receive paper versions of either a bill or a notice of billing, then that customer must be provided with equivalent monthly notices in whatever medium they receive information about their monthly bill or as a monthly stand-alone mailer (*e.g.*, postcard, brochure).

(d) ETCs that receive federal universal service funds shall provide information on the DTV Transition that is equivalent to the information provided pursuant to paragraph (b)(2) of this section as part of any Lifeline or Link-Up publicity campaigns conducted by the ETC between March 27, 2008, and June 30, 2009.

§ 54.420 Low income program audits.

(a) *Independent audit requirements for eligible telecommunications carriers.* Companies that receive \$5 million or more annually in the aggregate, on a holding company basis, in Lifeline reimbursements must obtain a third party biennial audit of their compliance with the rules in this subpart. Such engagements shall be agreed upon performance attestations to assess the company's overall compliance with rules and the company's internal controls regarding these regulatory requirements.

(1) For purposes of the \$5 million threshold, a holding company consists of operating companies and affiliates, as that term is defined in section 3(2) of the Communications Act of 1934, as amended, that are eligible telecommunications carriers.

(2) The initial audit must be completed one year after the Commission issues a standardized audit plan outlining the scope of the engagement and the extent of compliance testing to be performed by third-party auditors and shall be conducted every two years thereafter, unless directed otherwise by the Commission. The following minimum requirements shall apply:

(i) The audit must be conducted by a licensed certified public accounting firm that is independent of the carrier.

(ii) The engagement shall be conducted consistent with government accounting standards (GAGAS).

(3) The certified public accounting firm shall submit to the Commission any rule interpretations necessary to complete the biennial audit, and the Administrator shall notify all firms subject to the biennial audit requirement of such requests. The audit issue will be noted, but not held as a negative finding, in future audit reports for all carriers subject to this requirement
