(a) Before selecting an independent auditor, the Administrator shall sub-

mit preliminary audit requirements, including the proposed scope of the audit and the extent of compliance and substantive testing, to the Office of Managing Director.

(b) The Office of Managing Director shall review the preliminary audit requirements to determine whether they are adequate to meet the audit objectives. The Office of Managing Director shall prescribe modifications that shall be incorporated into the final audit requirements.

(c) After the audit requirements have been approved by the Office of Managing Director, the Administrator shall engage within thirty (30) calendar days an independent auditor to conduct the annual audit required by this paragraph. In making its selection, the Administrator shall not engage any independent auditor who has been involved in designing any of the accounting or reporting systems under review in the audit.

The Office of Managing Director shall review the audit program and make modifications, as needed, that shall be incorporated into the final audit program. During the course of the audit, the Office of Managing Director may direct the Administrator to direct the independent auditor to take any actions necessary to ensure compliance with the audit requirements.

(g) The Office of Managing Director shall review the audit findings and audit workpapers and offer its recommendations concerning the conduct of the audit or the audit findings to the independent auditor. Exceptions of the Office of Managing Director to the findings and conclusions of the independent auditor that remain unresolved shall be included in the final audit report.

(h) Within fifteen (15) calendar days after receiving the Office of Managing Director's recommendations and making any revisions to the audit report, the Administrator shall instruct the independent auditor to submit the audit report to the Administrator for its response to the audit findings. At this time the auditor also must send copies of its audit findings to the Office of Managing Director. The Administrator shall provide the independent auditor time to perform additional audit work recommended by the Office of Managing Director.

(i) Within thirty (30) calendar days after receiving the audit report, the Administrator shall respond to the audit findings and send copies of its response to the Office of Managing Director. The Administrator shall instruct the independent auditor that any reply that the independent auditor wishes to make to the Administrator's responses shall be sent to the Office of Managing Director as well as the Administrator. The Administrator's response and the independent auditor's replies shall be included in the final audit report;

(j) Within ten (10) calendar days after receiving the response of the Administrator, the independent auditor shall file with the Commission the final audit report.
