

## § 61.28

shall be no higher than that NECA rate.

(f) If a CLEC provides some portion of the switched exchange access services used to send traffic to or from an end user not served by that CLEC, the rate for the access services provided may not exceed the rate charged by the competing ILEC for the same access services, except if the CLEC is listed in the database of the Number Portability Administration Center as providing the calling party or dialed number, the CLEC may, to the extent permitted by § 51.913(b) of this chapter, assess a rate equal to the rate that would be charged by the competing ILEC for all exchange access services required to deliver interstate traffic to the called number.

(g) Notwithstanding paragraphs (b) through (e) of this section:

(1) A CLEC engaging in access stimulation, as that term is defined in § 61.3(bbb), shall not file a tariff for its interstate exchange access services that prices those services above the rate prescribed in the access tariff of the price cap LEC with the lowest switched access rates in the state.

(2) A CLEC engaging in access stimulation, as that term is defined in § 61.3(bbb), shall file revised interstate switched access tariffs within forty-five (45) days of commencing access stimulation, as that term is defined in § 61.3(bbb), or within forty-five (45) days of [date] if the CLEC on that date is engaged in access stimulation, as that term is defined in § 61.3(bbb).

## Subpart D—General Tariff Rules for International Dominant Carriers

### § 61.28 International dominant carrier tariff filing requirements.

(a) Any carrier classified as dominant for the provision of particular international communications services on a particular route for any reason other than a foreign carrier affiliation under § 63.10 of this chapter shall file tariffs for those services pursuant to the notice and cost support requirements for tariff filings of dominant domestic carriers, as set forth in subpart E of this part.

## 47 CFR Ch. I (10–1–15 Edition)

(b) Other than the notice and cost support requirements set forth in paragraph (a) of this section, all tariff filing requirements applicable to all carriers classified as dominant for the provision of particular international communications services on a particular route for any reason other than a foreign carrier affiliation pursuant to § 63.10 of this chapter are set forth in subpart C of this part.

## Subpart E—General Rules for Dominant Carriers

### § 61.31 Scope.

The rules in this subpart apply to all dominant carriers.

[64 FR 46588, Aug. 26, 1999]

### § 61.38 Supporting information to be submitted with letters of transmittal.

(a) *Scope.* This section applies to dominant carriers whose gross annual revenues exceed \$500,000 for the most recent 12 month period of operations or are estimated to exceed \$500,000 for a representative 12 month period. Incumbent Local Exchange Carriers serving 50,000 or fewer access lines in a given study area that are described as subset 3 carriers in § 69.602 of this chapter may submit Access Tariff filings for that study area pursuant to either this section or § 61.39. However, the Commission may require any issuing carrier to submit such information as may be necessary for a review of a tariff filing. This section (other than the preceding sentence of this paragraph) shall not apply to tariff filings proposing rates for services identified in § 61.42 (d), (e), and (g).

(b) *Explanation and data supporting either changes or new tariff offerings.* The material to be submitted for a tariff change which affects rates or charges or for a tariff offering a new service, must include an explanation of the changed or new matter, the reasons for the filing, the basis of ratemaking employed, and economic information to support the changed or new matter.
