

§ 63.61

(4) The dismantling or removal from service of any trunk line by a carrier which has the effect of impairing the adequacy or quality of service rendered to any community or part of a community;

(5) The severance by a carrier of physical connection with another carrier (including connecting carriers as defined in section 3(u) of the Communications Act of 1934, as amended) or the termination or suspension of the interchange of traffic with such other carrier;

(c) *Emergency discontinuance, reduction, or impairment of service* means any discontinuance, reduction, or impairment of the service of a carrier occasioned by conditions beyond the control of such carrier where the original service is not restored or comparable service is not established within a reasonable time. For the purpose of this part, a reasonable time shall be deemed to be a period not in excess of the following: 10 days in the case of discontinuance, reduction, or impairment of service at telegraph offices operated directly by the carrier; 15 days in the case of jointly-operated or agency telegraph offices; 10 days in the case of public coast stations; and 60 days in all other cases;

(d) The term “interconnected VoIP provider” is an entity that provides interconnected VoIP service as that term is defined in §9.3 of this chapter.

(e) *Public toll station* means a public telephone station, located in a community, through which a carrier provides service to the public, and which is connected directly to a toll line operated by such carrier.

(f) For the purposes of §§ 63.60 through 63.90, the term “service,” when used to refer to a real-time, two-way voice communications service, shall include interconnected VoIP service as that term is defined in §9.3 of this chapter but shall not include any interconnected VoIP service that is a “mobile service” as defined in §20.3 of this chapter.

(g) *You*. In this section, “You” refers to applicants and licensees.

§ 63.61 Applicability.

Any carrier subject to the provisions of section 214 of the Communications Act of 1934, as amended, proposing to discontinue, reduce or impair interstate or foreign telephone or telegraph service to a community, or a part of a community, shall request authority therefor by formal application or informal request as specified in the pertinent sections of this part:

(a) *Provided, however*, that where service is expanded on an experimental basis for a temporary period of not more than 6 months, no application shall be required to reduce service to its status prior to such expansion but a written notice shall be filed with the Commission within 10 days of the reduction showing:

(1) The date on which, places at which, and extent to which service was expanded; and,

(2) The date on which, places at which, and extent to which such expansion of service was discontinued.

(b) And provided further that a licensee of a radio station who has filed an application for authority to discontinue service provided by such station shall during the period that such application is pending before the Commission, continue to file appropriate applications as may be necessary for extension or renewal of station license in order to provide legal authorization for such station to continue in operation pending final action on the application for discontinuance of service. Procedures for discontinuance, reduction or impairment of service by dominant and non-dominant, domestic carriers are in §63.71. Procedures for discontinuance, reduction or impairment of international services are in §63.19.
