Subpart J—Ownership of Cable Systems**§ 76.501 Cross-ownership.**

(a)–(c) [Reserved]

(d) No cable operator shall offer satellite master antenna television service (“SMATV”), as that service is defined in § 76.5(a)(2), separate and apart from any franchised cable service in any portion of the franchise area served by that cable operator’s cable system, either directly or indirectly through an affiliate owned, operated, controlled, or under common control with the cable operator.

(e)(1) A cable operator may directly or indirectly, through an affiliate owned, operated, controlled by, or under common control with the cable operator, offer SMATV service within its franchise area if the cable operator’s SMATV system was owned, operated, controlled by or under common control with the cable operator as of October 5, 1992.

(2) A cable operator may directly or indirectly, through an affiliate owned, operated, controlled by, or under common control with the cable operator, offer service within its franchise area through SMATV facilities, provided such service is offered in accordance with the terms and conditions of a cable franchise agreement.

(f) The restrictions in paragraphs (d) and (e) of this section shall not apply to any cable operator in any franchise area in which a cable operator is subject to effective competition as determined under section 623(1) of the Communications Act.

NOTE 1 TO § 76.501: Actual working control, in whatever manner exercised, shall be deemed a cognizable interest.

NOTE 2 TO § 76.501: In applying the provisions of this section, ownership and other interests in an entity or entities covered by this rule will be attributed to their holders and deemed cognizable pursuant to the following criteria:

(a) Except as otherwise provided herein, partnership and direct ownership interests and any voting stock interest amounting to 5% or more of the outstanding voting stock of a corporation will be cognizable;

(b) Investment companies, as defined in 15 U.S.C. 80a–3, insurance companies and banks holding stock through their trust departments in trust accounts will be considered to have a cognizable interest only if they hold 20% or more of the outstanding voting stock of a corporation, or if any of the officers or directors of the corporation are representatives of the investment company, insurance company or bank concerned. Holdings by a bank or insurance company will be aggregated if the bank or insurance company has any right to determine how the stock will be voted. Holdings by investment companies will be aggregated if under common management.

(c) Attribution of ownership interests in an entity covered by this rule that are held indirectly by any party through one or more intervening corporations will be determined by successive multiplication of the ownership percentages for each link in the vertical ownership chain and application of the relevant attribution benchmark to the resulting product, except that wherever the ownership percentage for any link in the chain exceeds 50%, it shall not be included for purposes of this multiplication. [For example, if A owns 10% of company X, which owns 60% of company Y, which owns 25% of “Licensee,” then X’s interest in “Licensee” would be 25% (the same as Y’s interest since X’s interest in Y exceeds 50%), and A’s interest in “Licensee” would be 2.5% (0.1×0.25). Under the 5% attribution benchmark, X’s interest in “Licensee” would be cognizable, while A’s interest would not be cognizable.]

(d) Voting stock interests held in trust shall be attributed to any person who holds or shares the power to vote such stock, to any person who has the sole power to sell such stock, and to any person who has the right to revoke the trust at will or to replace
