

Federal Communications Commission

§ 76.92

required to submit supplemental investigation information with their regular EEO program annual reports in the years they are investigated. If an entity acquires a unit during the period covered by the supplemental investigation, the information submitted by the unit as part of the investigation shall cover the period starting with the date the operator acquired the unit. The supplemental investigation information shall include a copy of the unit's EEO public file report for the preceding year.

(d) *Records and inquiries.* Employment units subject to this subpart shall maintain records of their recruitment activity in accordance with § 76.75 to demonstrate whether they are in compliance with the EEO rules. Units shall ensure that they maintain records sufficient to verify the accuracy of information provided in their EEO program annual reports and the supplemental investigation responses required by § 76.1702 to be kept in a unit's public file. To determine compliance with the EEO rules, the Commission may conduct inquiries of employment units at random or if the Commission has evidence of a possible violation of the EEO rules. Upon request, employment units shall make records available to the Commission for its review.

(e) *Public complaints.* The public may file complaints based on EEO program annual reports, supplemental investigation information, or the contents of a unit's public file.

(f) *Sanctions and remedies.* The Commission may issue appropriate sanctions and remedies for any violation of the EEO rules.

Subpart F—Network Non-duplication Protection, Syndicated Exclusivity and Sports Black-out

SOURCE: 65 FR 68101, Nov. 14, 2000, unless otherwise noted.

§ 76.92 Cable network non-duplication; extent of protection.

(a) Upon receiving notification pursuant to § 76.94, a cable community unit located in whole or in part within the geographic zone for a network program, the network non-duplication rights to which are held by a commercial television station licensed by the Commission, shall not carry that program as broadcast by any other television signal, except as otherwise provided below.

(b) For purposes of this section, the order of nonduplication priority of television signals carried by a community unit is as follows:

(1) First, all television broadcast stations within whose specified zone the community of the community unit is located, in whole or in part;

(2) Second, all smaller market television broadcast stations within whose secondary zone the community of the community unit is located, in whole or in part.

(c) For purposes of this section, all noncommercial educational television broadcast stations licensed to a community located in whole or in part within a major television market as specified in § 76.51 shall be treated in the same manner as a major market commercial television broadcast station, and all noncommercial educational television broadcast stations not licensed to a community located in whole or in part within a major television market shall be treated in the same manner as a smaller market television broadcast station.

§ 76.93

(d) Any community unit operating in a community to which a 100-watt or higher power translator is located within the predicted Grade B signal contour of the television broadcast station that the translator station retransmits, and which translator is carried by the community unit shall, upon request of such translator station licensee or permittee, delete the duplicating network programming of any television broadcast station whose reference point (See § 76.53) is more than 88.5 km (55 miles) from the community of the community unit.

(e) Any community unit which operates in a community located in whole or in part within the secondary zone of a smaller market television broadcast station is not required to delete the duplicating network programming of any major market television broadcast station whose reference point (See § 76.53) is also within 88.5 km (55 miles) of the community of the community unit.

(f) A community unit is not required to delete the duplicating network programming of any television broadcast station which is significantly viewed in the cable television community pursuant to § 76.54.

(g) A community unit is not required to delete the duplicating network programming of any qualified NCE television broadcast station that is carried in fulfillment of the cable television system's mandatory signal carriage obligations, pursuant to § 76.56.

NOTE: With respect to network programming, the geographic zone within which the television station is entitled to enforce network non-duplication protection and priority of shall be that geographic area agreed upon between the network and the television station. In no event shall such rights exceed the area within which the television station may acquire broadcast territorial exclusivity rights as defined in § 73.658(m) of this Chapter, except that small market television stations shall be entitled to a secondary protection zone of 32.2 additional kilometers (20 additional miles). To the extent rights are obtained for any hyphenated market named in § 76.51, such rights shall not exceed those permitted under § 73.658(m) of this Chapter for each named community in that market.

§ 76.93 Parties entitled to network non-duplication protection.

Television broadcast station licensees shall be entitled to exercise non-du-

plication rights pursuant to § 76.92 in accordance with the contractual provisions of the network-affiliate agreement.

§ 76.94 Notification.

(a) In order to exercise non-duplication rights pursuant to § 76.92, television stations shall notify each cable television system operator of the non-duplication sought in accordance with the requirements of this section. Except as otherwise provided in paragraph (b) of this section, non-duplication protection notices shall include the following information:

(1) The name and address of the party requesting non-duplication protection and the television broadcast station holding the non-duplication right;

(2) The name of the program or series (including specific episodes where necessary) for which protection is sought; and

(3) The dates on which protection is to begin and end.

(b) Broadcasters entering into contracts providing for network non-duplication protection shall notify affected cable systems within 60 calendar days of the signing of such a contract. In the event the broadcaster is unable based on the information contained in the contract, to furnish all the information required by paragraph (a) of this section at that time, the broadcaster must provide modified notices that contain the following information:

(1) The name of the network (or networks) which has (or have) extended non-duplication protection to the broadcaster;

(2) The time periods by time of day (local time) and by network (if more than one) for each day of the week that the broadcaster will be broadcasting programs from that network (or networks) and for which non-duplication protection is requested; and

(3) The duration and extent (e.g., simultaneous, same-day, seven-day, etc.) of the non-duplication protection which has been agreed upon by the network (or networks) and the broadcaster.
