

§ 1.108

47 CFR Ch. I (10–1–16 Edition)

shall be taken on any rehearing ordered pursuant to the provisions of this section.

(m) The filing of a petition for reconsideration is not a condition precedent to judicial review of any action taken by the Commission or by the designated authority, except where the person seeking such review was not a party to the proceeding resulting in the action, or relies on questions of fact or law upon which the Commission or designated authority has been afforded no opportunity to pass. (See §1.115(c).) Persons in those categories who meet the requirements of this section may qualify to seek judicial review by filing a petition for reconsideration.

(n) Without special order of the Commission, the filing of a petition for reconsideration shall not excuse any person from complying with or obeying any decision, order, or requirement of the Commission, or operate in any manner to stay or postpone the enforcement thereof. However, upon good cause shown, the Commission will stay the effectiveness of its order or requirement pending a decision on the petition for reconsideration. (This paragraph applies only to actions of the Commission en banc. For provisions applicable to actions under delegated authority, see §1.102.)

(o) Petitions for reconsideration of licensing actions, as well as oppositions and replies thereto, that are filed with respect to the Wireless Radio Services, may be filed electronically via ULS.

(p) Petitions for reconsideration of a Commission action that plainly do not warrant consideration by the Commission may be dismissed or denied by the relevant bureau(s) or office(s). Examples include, but are not limited to, petitions that:

(1) Fail to identify any material error, omission, or reason warranting reconsideration;

(2) Rely on facts or arguments which have not previously been presented to the Commission and which do not meet the requirements of paragraphs (b)(2), (b)(3), or (c) of this section;

(3) Rely on arguments that have been fully considered and rejected by the Commission within the same proceeding;

(4) Fail to state with particularity the respects in which petitioner believes the action taken should be changed as required by paragraph (d) of this section;

(5) Relate to matters outside the scope of the order for which reconsideration is sought;

(6) Omit information required by these rules to be included with a petition for reconsideration, such as the affidavit required by paragraph (e) of this section (relating to electrical interference);

(7) Fail to comply with the procedural requirements set forth in paragraphs (f) and (i) of this section;

(8) relate to an order for which reconsideration has been previously denied on similar grounds, except for petitions which could be granted under paragraph (c) of this section; or

(9) Are untimely.

§ 1.110 Partial grants; rejection and designation for hearing.

Where the Commission without a hearing grants any application in part, or with any privileges, terms, or conditions other than those requested, or subject to any interference that may result to a station if designated application or applications are subsequently granted, the action of the Commission shall be considered as a grant of such application unless the applicant shall, within 30 days from the date on which such grant is made or from its effective
