

§ 1.1317

47 CFR Ch. I (10–1–16 Edition)

(d) Any person or agency may comment on the DEIS and the environmental effect of the proposal described therein within 45 days after notice of the availability of the statement is published in the FEDERAL REGISTER. A copy of those comments shall be mailed to the applicant by the person who files them pursuant to 47 CFR 1.47. An original and one copy shall be filed with the Commission. If a person submitting comments is especially qualified in any way to comment on the environmental impact of the facilities, a statement of his or her qualifications shall be set out in the comments. In addition, comments submitted by an agency shall identify the person(s) who prepared them.

(e) The applicant may file reply comments within 15 days after the time for filing comments has expired. Reply comments shall be filed with the Commission in the same manner as comments, and shall be served by the applicant on persons or agencies which filed comments.

(f) The preparation of a DEIS and the request for comments shall not open the application to attack on other grounds.

§ 1.1317 The Final Environmental Impact Statement (FEIS).

(a) After receipt of comments and reply comments, the Bureau will prepare a FEIS, which shall include a summary of the comments, and a response to the comments, and an analysis of the proposal in terms of its environmental consequences, and any reasonable alternatives, and recommendations, if any, and shall cite the Commission's internal appeal procedures (*See* 47 CFR 1.101–1.117).

(b) The FEIS and any supplements will be distributed and published in the same manner as specified in § 1.1315. Copies of the comments and reply comments, or summaries thereof where the record is voluminous, shall be attached to the FEIS.

§ 1.1319 Consideration of the environmental impact statements.

(a) If the action is subject to a hearing:

(1) In rendering his initial decision, the Administrative Law Judge shall utilize the FEIS in considering the environmental issues, together with all other non-environmental issues. In a comparative context, the respective parties shall be afforded the opportunity to comment on the FEIS, and the Administrative Law Judge's decision shall contain an evaluation of the respective applications based on environmental and non-environmental public interest factors.

(2) Upon review of an initial decision, the Commission will consider and assess all aspects of the FEIS and will render its decision, giving due consideration to the environmental and non-environmental issues.

(b) In all non-hearing matters, the Commission, as part of its decision-making process, will review the FEIS, along with other relevant issues, to ensure that the environmental effects are specifically assessed and given comprehensive consideration.

Subpart J—Pole Attachment Complaint Procedures

SOURCE: 43 FR 36094, Aug. 15, 1978, unless otherwise noted.

§ 1.1401 Purpose.

The rules and regulations contained in subpart J of this part provide complaint and enforcement procedures to ensure that telecommunications carriers and cable system operators have nondiscriminatory access to utility poles, ducts, conduits, and rights-of-way on rates, terms, and conditions that are just and reasonable. They also provide complaint and enforcement procedures for incumbent local exchange carriers (as defined in 47 U.S.C. 251(h)) to ensure that the rates, terms, and conditions of their access to pole attachments are just and reasonable.

[76 FR 26638, May 9, 2011]

§ 1.1402 Definitions.

(a) The term *utility* means any person that is a local exchange carrier or an electric, gas, water, steam, or other

Federal Communications Commission

§ 1.1402

public utility, and who owns or controls poles, ducts, conduits, or rights-of-way used, in whole or in part, for any wire communications. Such term does not include any railroad, any person that is cooperatively organized, or any person owned by the Federal Government or any State.

(b) The term *pole attachment* means any attachment by a cable television system or provider of telecommunications service to a pole, duct, conduit, or right-of-way owned or controlled by a utility.

(c) With respect to poles, the term *usable space* means the space on a utility pole above the minimum grade level which can be used for the attachment of wires, cables, and associated equipment, and which includes space occupied by the utility. With respect to conduit, the term *usable space* means capacity within a conduit system which is available, or which could, with reasonable effort and expense, be made available, for the purpose of installing wires, cable and associated equipment for telecommunications or cable services, and which includes capacity occupied by the utility.

(d) The term *complaint* means a filing by a cable television system operator, a cable television system association, a utility, an association of utilities, a telecommunications carrier, or an association of telecommunications carriers alleging that it has been denied access to a utility pole, duct, conduit, or right-of-way in violation of this subpart and/or that a rate, term, or condition for a pole attachment is not just and reasonable. It also means a filing by an incumbent local exchange carrier (as defined in 47 U.S.C. 251(h)) or an association of incumbent local exchange carriers alleging that a rate, term, or condition for a pole attachment is not just and reasonable.

(e) The term *complainant* means a cable television system operator, a cable television system association, a utility, an association of utilities, a telecommunications carrier, an association of telecommunications carriers, an incumbent local exchange carrier (as defined in 47 U.S.C. 251(h)) or an association of incumbent local exchange carriers who files a complaint.

(f) The term *respondent* means a cable television system operator, a utility, or a telecommunications carrier against whom a complaint is filed.

(g) The term *State* means any State, territory, or possession of the United States, the District of Columbia, or any political subdivision, agency, or instrumentality thereof.

(h) For purposes of this subpart, the term *telecommunications carrier* means any provider of telecommunications services, except that the term does not include aggregators of telecommunications services (as defined in 47 U.S.C. 226) or incumbent local exchange carriers (as defined in 47 U.S.C. 251(h)).

(i) The term *conduit* means a structure containing one or more ducts, usually placed in the ground, in which cables or wires may be installed.

(j) The term *conduit system* means a collection of one or more conduits together with their supporting infrastructure.

(k) The term *duct* means a single enclosed raceway for conductors, cable and/or wire.

(l) With respect to poles, the term *unusable space* means the space on a utility pole below the usable space, including the amount required to set the depth of the pole.

(m) The term *attaching entity* includes cable system operators, telecommunications carriers, incumbent and other local exchange carriers, utilities, governmental entities and other entities with a physical attachment to the pole, duct, conduit or right of way. It does not include governmental entities with only seasonal attachments to the pole.

(n) The term *inner-duct* means a duct-like raceway smaller than a duct that is inserted into a duct so that the duct may carry multiple wires or cables.
