

§ 1.20008

(12) *Subject-initiated dialing and signaling information.* Capability that permits a LEA to be informed when a subject using the facilities under surveillance uses services that provide call identifying information, such as call forwarding, call waiting, call hold, and three-way calling. Excludes signals generated by customer premises equipment when no network signal is generated.

(13) *Termination.* A party or place at the end of a communication path (e.g. the called or call-receiving party, or the switch of a party that has placed another party on hold).

(14) *Timing information.* Capability that permits a LEA to associate call-identifying information with the content of a call. A call-identifying message must be sent from the carrier's IAP to the LEA's Collection Function within eight seconds of receipt of that message by the IAP at least 95% of the time, and with the call event time-stamped to an accuracy of at least 200 milliseconds.

(b) In addition to the requirements in § 1.20006, wireline, cellular, and PCS telecommunications carriers shall provide to a LEA the assistance capability requirements regarding wire and electronic communications and call identifying information covered by J-STD-025 (current version), and, subject to the definitions in this section, may satisfy these requirements by complying with J-STD-025 (current version), or by another means of their own choosing. These carriers also shall provide to a LEA the following capabilities:

(1) Content of subject-initiated conference calls;

(2) Party hold, join, drop on conference calls;

(3) Subject-initiated dialing and signaling information;

(4) In-band and out-of-band signaling;

(5) Timing information;

(6) Dialed digit extraction, with a toggle feature that can activate/deactivate this capability.

Subpart AA—Competitive Bidding for Universal Service Support

SOURCE: 76 FR 73851, Nov. 29, 2011, unless otherwise noted.

§ 1.21000 Purpose.

This subpart sets forth procedures for competitive bidding to determine the recipients of universal service support pursuant to part 54 of this chapter and the amount(s) of support that each recipient respectively may receive, subject to post-auction procedures, when the Commission directs that such support shall be determined through competitive bidding.

§ 1.21001 Participation in competitive bidding for support.

(a) *Public Notice of the Application Process.* The dates and procedures for submitting applications to participate in competitive bidding pursuant to this subpart shall be announced by public notice.

(b) *Application Contents.* An applicant to participate in competitive bidding pursuant to this subpart shall provide the following information in an acceptable form:

(1) The identity of the applicant, *i.e.*, the party that seeks support, including any required information regarding parties that have an ownership or other interest in the applicant;

(2) The identities of up to three individuals authorized to make or withdraw a bid on behalf of the applicant;

(3) The identities of all real parties in interest to any agreements relating to the participation of the applicant in the competitive bidding;

(4) Certification that the application discloses all real parties in interest to any agreements involving the applicant's participation in the competitive bidding;

(5) Certification that the applicant and all applicable parties have complied with and will continue to comply with § 1.21002;

(6) Certification that the applicant is in compliance with all statutory and regulatory requirements for receiving
