

#### § 54.414

connecting telecommunications service of up to \$200 and such interest charges shall be deferred for a period not to exceed one year.

(b) An eligible resident of Tribal lands may receive the benefit of the Tribal Link Up program for a second or subsequent time only for otherwise qualifying commencement of telecommunications service at a principal place of residence with an address different from the address for which Tribal Link Up assistance was provided previously.

[77 FR 12973, Mar. 2, 2012]

#### § 54.414 Reimbursement for Tribal Link Up.

(a) Eligible telecommunications carriers that are receiving high-cost support, pursuant to subpart D of this part, may receive universal service support reimbursement for the reduction in their customary charge for commencing telecommunications service and for providing a deferred schedule for payment of the customary charge for commencing telecommunications services for which the subscriber does not pay interest, in conformity with § 54.413.

(b) In order to receive universal support reimbursement for providing Tribal Link Up, eligible telecommunications carriers must follow the procedures set forth in § 54.410 to determine an eligible resident of Tribal lands' initial eligibility for Tribal Link Up. Eligible telecommunications carriers must obtain a certification form from each eligible resident of Tribal lands that complies with § 54.410 prior to enrolling him or her in Tribal Link Up.

(c) In order to receive universal service support reimbursement for providing Tribal Link Up, eligible telecommunications carriers must keep accurate records of the reductions in their customary charge for commencing telecommunications service and for providing a deferred schedule for payment of the charges assessed for commencing service for which the subscriber does not pay interest, in conformity with § 54.413. Such records shall be kept in the form directed by the Administrator and provided to the Administrator at intervals as directed by the Administrator or as provided in

#### 47 CFR Ch. I (10–1–16 Edition)

this subpart. The reductions in the customary charge for which the eligible telecommunications carrier may receive reimbursement shall include only the difference between the carrier's customary connection or interest charges and the charges actually assessed to the subscriber receiving Lifeline services.

[77 FR 12973, Mar. 2, 2012]

#### § 54.416 Annual certifications by eligible telecommunications carriers.

(a) *Eligible telecommunications carrier certifications.* Eligible telecommunications carriers are required to make and submit to the Administrator the following annual certifications, under penalty of perjury, relating to the Lifeline program:

(1) An officer of each eligible telecommunications carrier must certify that the carrier has policies and procedures in place to ensure that its Lifeline subscribers are eligible to receive Lifeline services. Each eligible telecommunications carrier must make this certification annually to the Administrator as part of the carrier's submission of annual re-certification data pursuant to this section. In instances where an eligible telecommunications carrier confirms consumer eligibility by relying on income or eligibility databases, as defined in § 54.410(b)(1)(i)(A) or (c)(1)(i)(A), the representative must attest annually as to what specific data sources the eligible telecommunications carrier used to confirm eligibility.

(2) An officer of the eligible telecommunications carrier must certify that the carrier is in compliance with all federal Lifeline certification procedures. Eligible telecommunications carriers must make this certification annually to the Administrator as part of the carrier's submission of re-certification data pursuant to this section.

(3) An officer of the eligible telecommunications carrier must certify that the carrier is in compliance with the minimum service levels set forth in § 54.408. Eligible telecommunications carriers must make this certification annually to the Administrator as part of the carrier's submission of re-certification data pursuant to this section.

(b) All eligible telecommunications carriers must annually provide the results of their re-certification efforts, performed pursuant to § 54.410(f), to the Commission and the Administrator. Eligible telecommunications carriers designated as such by one or more states pursuant to § 54.201 must also provide, on an annual basis, the results of their re-certification efforts to state commissions for subscribers residing in those states where the state designated the eligible telecommunications carrier. Eligible telecommunications carriers must also provide their annual re-certification results for subscribers residing on Tribal lands to the relevant Tribal governments.

(c) States that mandate Lifeline support may impose additional standards on eligible telecommunications carriers operating in their states to ensure compliance with state Lifeline programs.

[77 FR 12973, Mar. 2, 2012, as amended at 77 FR 38534, June 28, 2012; 81 FR 33094, May 24, 2016]

EFFECTIVE DATE NOTE: At 81 FR 33094, May 24, 2016, § 54.416 was amended by adding paragraph (a)(3). This paragraph contains information collection and recordkeeping requirements and will not become effective until approval has been given by the Office of Management and Budget.

#### § 54.417 Recordkeeping requirements.

(a) Eligible telecommunications carriers must maintain records to document compliance with all Commission and state requirements governing the Lifeline and Tribal Link Up program for the three full preceding calendar years and provide that documentation to the Commission or Administrator upon request. Eligible telecommunications carriers must maintain the documentation required in §§ 54.404 (b)(11), 54.410(b), 54.410 (c), 54.410(d), and 54.410(f) for as long as the subscriber receives Lifeline service from that eligible telecommunications carrier, but for no less than the three full preceding calendar years.

(b) Prior to the effective date of the rules, if an eligible telecommunications carrier provides Lifeline discounted wholesale services to a reseller, it must obtain a certification from that reseller that it is complying

with all Commission requirements governing the Lifeline and Tribal Link Up program. Beginning on the effective date of the rules, the eligible telecommunications carrier must retain the reseller certification for the three full preceding calendar years and provide that documentation to the Commission or Administrator upon request.

(c) Non-eligible telecommunications carrier resellers that purchased Lifeline discounted wholesale services to offer discounted services to low-income consumers prior to the effective date of the rules, must maintain records to document compliance with all Commission requirements governing the Lifeline and Tribal Link Up program for the three full preceding calendar years and provide that documentation to the Commission or Administrator upon request.

[80 FR 40935, July 14, 2015]

#### § 54.418 Digital Television Transition Notices by Eligible Telecommunications Carriers.

(a) Eligible telecommunications carriers (ETCs) that receive federal universal service funds shall provide their Lifeline or Link-Up customers with notices about the transition for over-the-air full power broadcasting from analog to digital service (the “DTV Transition”) in the monthly bills or bill notices received by such customers, or as a monthly stand-alone mailer (*e.g.*, postcard, brochure), beginning April 1, 2009, and concluding on June 30, 2009.

(b) The notice must be provided as part of an information section on the bill or bill notice itself or on a secondary document mailed with the bill or bill notice, or as part of a monthly stand-alone mailer (*e.g.*, postcard, brochure) in the same language or languages as the customer’s bill or bill notice. These notices must:

- (1) Be in clear and conspicuous print;
- (2) Convey at least the following information about the DTV transition:

(i) The nationwide switch to digital television broadcasting will be complete on June 12, 2009, but your local television stations may switch sooner. After the switch, analog-only television sets that receive TV programming through an antenna will need a converter box to continue to receive
