

Executive Officer and the Board disapproves of such action by a two-thirds vote of a quorum of directors, as defined in the Administrator's by-laws.

(2) The budgets prepared by each Committee shall be subject to Board review as part of the Administrator's combined budget. The Board shall not modify the budgets prepared by the Committees of the Board unless such modification is approved by a two-thirds vote of a quorum of the Board, as defined in the Administrator's by-laws.

**§ 54.706 Contributions.**

(a) Entities that provide interstate telecommunications to the public, or to such classes of users as to be effectively available to the public, for a fee will be considered telecommunications carriers providing interstate telecommunications services and must contribute to the universal service support mechanisms. Certain other providers of interstate telecommunications, such as payphone providers that are aggregators, providers of interstate telecommunications for a fee on a non-common carrier basis, and interconnected VoIP providers, also must contribute to the universal service support mechanisms. Interstate telecommunications include, but are not limited to:

- (1) Cellular telephone and paging services;
- (2) Mobile radio services;
- (3) Operator services;
- (4) Personal communications services (PCS);
- (5) Access to interexchange service;
- (6) Special access service;
- (7) WATS;
- (8) Toll-free service;
- (9) 900 service;
- (10) Message telephone service (MTS);
- (11) Private line service;
- (12) Telex;
- (13) Telegraph;
- (14) Video services;
- (15) Satellite service;
- (16) Resale of interstate services;
- (17) Payphone services; and
- (18) Interconnected VoIP services.

(19) Prepaid calling card providers.

(b) Except as provided in paragraph (c) of this section, every entity required to contribute to the federal universal service support mechanisms under paragraph (a) of this section shall contribute on the basis of its projected collected interstate and international end-user telecommunications revenues, net of projected contributions.

(c) Any entity required to contribute to the federal universal service support mechanisms whose projected collected interstate end-user telecommunications revenues comprise less than 12 percent of its combined projected collected interstate and international end-user telecommunications revenues shall contribute based only on such entity's projected collected interstate end-user telecommunications revenues, net of projected contributions. For purposes of this paragraph, an "entity" shall refer to the entity that is subject to the universal service reporting requirements in § 54.711 and shall include all of that entity's affiliated providers of interstate and international telecommunications and telecommunications services.

(d) Entities providing open video systems (OVS), cable leased access, or direct broadcast satellite (DBS) services are not required to contribute on the basis of revenues derived from those services. The following entities will not be required to contribute to universal service: non-profit health care providers; broadcasters; systems integrators that derive less than five percent of their systems integration revenues from the resale of telecommunications. Prepaid calling card providers are not required to contribute on the basis of revenues derived from prepaid calling cards sold by, to, or pursuant to contract with the Department of Defense (DoD) or a DoD entity.

(e) Any entity required to contribute to the federal universal service support mechanisms shall retain, for at least five years from the date of the contribution, all records that may be required to demonstrate to auditors that the contributions made were in compliance with the Commission's universal service rules. These records shall include without limitation the following:

Financial statements and supporting documentation; accounting records; historical customer records; general ledgers; and any other relevant documentation. This document retention requirement also applies to any contractor or consultant working on behalf of the contributor.

#### § 54.707 Audit controls.

(a) The Administrator shall have the authority to audit contributors and carriers reporting data to the Administrator. The Administrator shall establish procedures to verify discounts, offsets and support amounts provided by the universal service support programs, and may suspend or delay discounts, offsets, and support amounts provided to a carrier if the carrier fails to provide adequate verification of discounts, offsets, or support amounts provided upon reasonable request, or if directed by the Commission to do so. The Administrator shall not provide reimbursements, offsets or support amounts pursuant to subparts D, K, L and M of this part to a carrier until the carrier has provided to the Administrator a true and correct copy of the decision of a state commission designating that carrier as an eligible telecommunications carrier in accordance with § 54.202.

(b) The Administrator has the right to obtain all cost and revenue submissions and related information, at any time and in unaltered format, that carriers submit to NECA that are used to calculate support payments pursuant to subparts D, K, and M of this part.

(c) The Administrator (and NECA, to the extent the Administrator does not directly receive information from carriers) shall provide to the Commission upon request all underlying data collected from eligible telecommunications carriers to calculate payments pursuant to subparts D, K, L and M of this part.

[81 FR 24342, Apr. 25, 2016]

#### § 54.708 De minimis exemption.

If a contributor's contribution to universal service in any given year is less than \$10,000 that contributor will not be required to submit a contribution or Telecommunications Reporting Worksheet for that year unless it is required to do so by our rules governing Telecommunications Relay Service (47 CFR 64.601 *et seq.* of this chapter), numbering administration (47 CFR 52.1 *et seq.* of this chapter), or shared costs of local number portability (47 CFR 52.21 *et seq.* of this chapter). The foregoing notwithstanding, all interconnected VoIP providers, including those whose contributions would be *de minimis*, must file the Telecommunications Reporting Worksheet. If a contributor improperly claims exemption from the contribution requirement, it will be subject to the criminal provisions of sections 220(d) and (e) of the Act regarding willful false submissions and will be required to pay the amounts withheld plus interest.

#### § 54.709 Computations of required contributions to universal service support mechanisms.

(a) Prior to April 1, 2003, contributions to the universal service support mechanisms shall be based on contributors' end-user telecommunications revenues and on a contribution factor determined quarterly by the Commission. Contributions to the mechanisms beginning April 1, 2003 shall be based on contributors' projected collected end-user telecommunications revenues, and on a contribution factor determined quarterly by the Commission.

(1) For funding the federal universal service support mechanisms prior to April 1, 2003, the subject revenues will be contributors' interstate and international revenues derived from domestic end users for telecommunications or telecommunications services, net of prior period actual contributions. Beginning April 1, 2003, the subject revenues will be contributors' projected collected interstate and international revenues derived from domestic end users for telecommunications or telecommunications services, net of projected contributions.
