

Federal Communications Commission

§ 13.5

provided that the entity conducting the test:

(i) Notifies the public before the test that live event codes will be used, but that no emergency is, in fact, occurring;

(ii) To the extent technically feasible, states in the test message that the event is only a test;

(iii) Coordinates the test among EAS Participants and with state and local emergency authorities, the relevant SECC (or SECCs, if the test could affect multiple states), and first responder organizations, such as PSAPs, police, and fire agencies); and,

(iv) Consistent with §11.51, provides in widely accessible formats the notification to the public required by this subsection that the test is only a test, and is not a warning about an actual emergency.

(b) Entries shall be made in EAS Participant records, as specified in §11.35(a) and 11.54(a)(3).
