

(3) *Supplemental project budget.* States that qualify for a grant under the program may also qualify for additional grant funds that may become available. To be eligible for any such additional grant funds that may become available in accordance with § 400.6, a State must submit, with its application, a supplemental project budget that identifies the maximum dollar amount the State is able to match from non-Federal sources meeting the requirements of 2 CFR 200.306, and includes projects or activities for those grant and matching amounts, up to the total amount in the project budget submitted under paragraph (a)(2) of this section. This information must be provided to the same level of detail as required under paragraph (a)(2) of this section and be consistent with the State 911 Plan required under paragraph (a)(1) of this section.

(4) *Designated 911 Coordinator.* The identification of a single officer or government body to serve as the 911 Coordinator of implementation of 911 services and to sign the certifications required under this part. Such designation need not vest such coordinator with legal authority to implement 911 services, E-911 services, or Next Generation 911 services or to manage emergency communications operations. If a State applicant has established by law or regulation an office or coordinator with the authority to manage 911 services, that office or coordinator must be identified as the designated 911 Coordinator and apply for the grant on behalf of the State. If a State applicant does not have such an office or coordinator established, the Governor of the State must appoint a single officer or governmental body to serve as the 911 Coordinator in order to qualify for a 911 grant. If the designated 911 Coordinator is a governmental body, an official representative of the governmental body shall be identified to sign the certifications for the 911 Coordinator. The State must notify NHTSA in writing within 30 days of any change in appointment of the 911 Coordinator.

(5) *Certifications.* The certification in Appendix A of this part, signed by the 911 Coordinator, certifying that the applicant has complied with the required statutory and programmatic condi-

tions in submitting its application. The applicant must certify that during the time period 180 days immediately preceding the date of the initial application, the State has not diverted any portion of designated 911 charges imposed by the State for any purpose other than the purposes for which such charges are designated or presented, that no taxing jurisdiction in the State that will be a recipient of 911 grant funds has diverted any portion of designated 911 charges imposed by the taxing jurisdiction for any purpose other than the purposes for which such charges are designated or presented, and that, continuing through the time period during which grant funds are available, neither the State nor any taxing jurisdiction in the State that is a recipient of 911 grant funds will divert designated 911 charges for any purpose other than the purposes for which such charges are designated or presented.

(b) *Contents for a Tribal Organization application.* An application for funds for the 911 Grant Program from a Tribal Organization must consist of the following components:

(1) Tribal Organization 911 Plan. A plan that—

(i) Details the projects and activities proposed to be funded for:

(A) The implementation and operation of 911 services, E-911 services, migration to an IP-enabled emergency network, and adoption and operation of Next Generation 911 services and applications;

(B) The implementation of IP-enabled emergency services and applications enabled by Next Generation 911 services, including the establishment of IP backbone networks and the application layer software infrastructure needed to interconnect the multitude of emergency response organizations; and

(C) Training public safety personnel, including call-takers, first responders, and other individuals and organizations who are part of the emergency response chain in 911 services.

(ii) Establishes metrics and a time table for grant implementation; and

(iii) Describes the steps the applicant has taken to—
