If a State applicant has established by law or regulation an office or coordinator with the authority to manage 911 services, that office or coordinator must be identified as the designated 911 Coordinator and apply for the grant on behalf of the State. If a State applicant does not have such an office or coordinator established, the Governor of the State must appoint a single officer or governmental body to serve as the 911 Coordinator in order to qualify for a 911 grant. If the designated 911 Coordinator is a governmental body, an official representative of the governmental body shall be identified to sign the certifications for the 911 Coordinator. The State must notify NHTSA in writing within 30 days of any change in appointment of the 911 Coordinator.

(5) *Certifications.* The certification in Appendix A of this part, signed by the 911 Coordinator, certifying that the applicant has complied with the required statutory and programmatic condi-

To be eligible for any such additional grant funds that may become available in accordance with § 400.6, a Tribal Organization must submit, with its application, a supplemental project budget that identifies the maximum dollar amount the Tribal Organization is able to match from allowable sources meeting the requirements of 2 CFR 200.306, and includes projects or activities for those grant and matching amounts, up to the total amount in the project budget submitted under paragraph (b)(2) of this section.
