Subpart B—Services Designated for Support

§ 54.101 Supported services for rural, insular and high cost areas.

(a) *Services designated for support.* Voice telephony services and broadband service shall be supported by federal universal service support mechanisms.

(1) Eligible voice telephony services must provide voice grade access to the public switched network or its functional equivalent; minutes of use for local service provided at no additional charge to end users; access to the emergency services provided by local government or other public safety organizations, such as 911 and enhanced 911, to the extent the local government in an eligible carrier's service area has implemented 911 or enhanced 911 systems; and toll limitation services to qualifying low-income consumers as provided in subpart E of this part.

(2) Eligible broadband Internet access services must provide the capability to transmit data to and receive data by wire or radio from all or substantially all Internet endpoints, including any capabilities that are incidental to and enable the operation of the communications service, but excluding dial-up service.

(b) An eligible telecommunications carrier eligible to receive high-cost support must offer voice telephony service as set forth in paragraph (a)(1) of this section in order to receive federal universal service support.

(c) An eligible telecommunications carrier (ETC) subject to a high-cost public interest obligation to offer broadband Internet access services and not receiving Phase I frozen high-cost support must offer broadband services as set forth in paragraph (a)(2) of this

section within the areas where it receives high-cost support consistent with the obligations set forth in this part and subparts D, K, L and M of this part.

(d) Any ETC must comply with subpart E of this part.

Subpart C—Carriers Eligible for Universal Service Support

§ 54.201 Definition of eligible telecommunications carriers, generally.

(a) *Carriers eligible to receive support.*

(1) Only eligible telecommunications carriers designated under this subpart shall receive universal service support distributed pursuant to subparts D and E of this part. Eligible telecommunications carriers designated under this subpart for purposes of receiving support only under subpart E of this part must provide Lifeline service directly to qualifying low-income consumers.

(2) [Reserved]

(3) This paragraph does not apply to offset or reimbursement support distributed pursuant to subpart G of this part.

(4) This paragraph does not apply to support distributed pursuant to subpart F of this part.

(b) A state commission shall upon its own motion or upon request designate a common carrier that meets the requirements of paragraph (d) of this section as an eligible telecommunications carrier for a service area designated by the state commission.

(c) Upon request and consistent with the public interest, convenience, and necessity, the state commission may, in the case of an area served by a rural telephone company, and shall, in the case of all other areas, designate more than one common carrier as an eligible telecommunications carrier for a service area designated by the state commission, so long as each additional requesting carrier meets the requirements of paragraph (d) of this section. Before designating an additional eligible telecommunications carrier for an area served by a rural telephone company, the state commission shall find that the designation is in the public interest.
