

Federal Communications Commission

§ 54.315

No. 14–58, and with the Administrator of the high-cost support mechanism, on or before the deadlines set forth in paragraph (d) of this section. If provided by the appropriate regulatory authority for the State, the annual certification must identify which carriers in the State are eligible to receive federal support during the applicable 12-month period, and must certify that those carriers only used support during the preceding calendar year and will only use support in the coming calendar year for the provision, maintenance, and upgrading of facilities and services for which support is intended. A State may file a supplemental certification for carriers not subject to the State's annual certification. All certificates filed by a State pursuant to this section shall become part of the public record maintained by the Commission.

(2) An eligible telecommunications carrier not subject to the jurisdiction of a State shall file a sworn affidavit executed by a corporate officer attesting that the carrier only used support during the preceding calendar year and will only use support in the coming calendar year for the provision, maintenance, and upgrading of facilities and services for which support is intended. The affidavit must be filed with both the Office of the Secretary of the Commission clearly referencing WC Docket No. 14–58, and with the Administrator of the high-cost universal service support mechanism, on or before the deadlines set forth in paragraph (d) of this section. All affidavits filed pursuant to this section shall become part of the public record maintained by the Commission.

(d) *Filing deadlines.* (1) In order for an eligible telecommunications carrier to receive federal high-cost support, the state or the eligible telecommunications carrier, if not subject to the jurisdiction of a state, must file an annual certification, as described in paragraph (c) of this section, with both the Administrator and the Commission by October 1 of each year. If a state or eligible telecommunications carrier files the annual certification after the October 1 deadline, the carrier subject to the certification shall receive a reduc-

tion in its support pursuant to the following schedule:

(i) An eligible telecommunications carrier subject to certifications filed after the October 1 deadline, but by October 8, will have its support reduced in an amount equivalent to seven days in support;

(ii) An eligible telecommunications carrier subject to certifications filed on or after October 9 will have its support reduced on a pro-rata daily basis equivalent to the period of non-compliance, plus the minimum seven-day reduction.

(2) *Grace period.* If an eligible telecommunications carrier or state submits the annual certification required by this section after October 1 but before October 5, the eligible telecommunications carrier subject to the certification will not receive a reduction in support if the eligible telecommunications carrier and its holding company, operating companies, and affiliates as reported pursuant to § 54.313(a)(8) have not missed the October 1 deadline in any prior year.

(5) No later than 180 days after the public notice identifying it as a winning bidder, the applicant shall certify that it is an eligible telecommunications carrier in any area for which it seeks support and submit the relevant documentation supporting that certification.

(6) *Application processing.* (i) No application will be considered unless it has been submitted in an acceptable form during the period specified by public notice. No applications submitted or demonstrations made at any other time shall be accepted or considered.

(ii) Any application that, as of the submission deadline, either does not

identify the applicant seeking support as specified in the public notice announcing application procedures or does not include required certifications shall be denied.

(iii) An applicant may be afforded an opportunity to make minor modifications to amend its application or correct defects noted by the applicant, the Commission, the Administrator, or other parties. Minor modifications include correcting typographical errors in the application and supplying non-material information that was inadvertently omitted or was not available at the time the application was submitted.

(iv) Applications to which major modifications are made after the deadline for submitting applications shall be denied. Major modifications include, but are not limited to, any changes in the ownership of the applicant that constitute an assignment or change of control, or the identity of the applicant, or the certifications required in the application.

(v) After receipt and review of the applications, a public notice shall identify each winning bidder that may be authorized to receive Phase II auction support after the winning bidder submits a letter of credit and an accompanying opinion letter as described in paragraph (c) of this section, in a form acceptable to the Commission. Each such winning bidder shall submit a letter of credit and accompanying opinion letter as required by paragraph (c) of this section, in a form acceptable to the Commission no later than the number of business days provided by public notice.

(vi) After receipt of all necessary information, a public notice will identify each winning bidder that is authorized to receive Phase II auction support.

(c) *Letter of credit.* Before being authorized to receive Phase II auction support, a winning bidder shall obtain an irrevocable standby letter of credit which shall be acceptable in all respects to the Commission.

(1) *Value.* Each recipient authorized to receive Phase II support shall maintain the standby letter of credit or multiple standby letters of credit in an amount equal to at a minimum the amount of Phase II auction support

that has been disbursed and that will be disbursed in the coming year, until the Universal Service Administrative Company has verified that the recipient met the final service milestone as described in § 54.310(c).

(i) Once the recipient has met its 60 percent service milestone, it may obtain a new letter of credit or renew its existing letter of credit so that it is valued at a minimum at 90 percent of the total support amount already disbursed plus the amount that will be disbursed in the coming year.

(ii) Once the recipient has met its 80 percent service milestone, it may obtain a new letter of credit or renew its existing letter of credit so that it is valued at a minimum at 60 percent of the total support that has been disbursed plus the amount that will be disbursed in the coming year.

(2) The bank issuing the letter of credit shall be acceptable to the Commission. A bank that is acceptable to the Commission is:

(i) Any United States bank

(A) That is insured by the Federal Deposit Insurance Corporation, and

(B) That has a bank safety rating issued by Weiss of B- or better; or

(ii) CoBank, so long as it maintains assets that place it among the 100 largest United States Banks, determined on basis of total assets as of the calendar year immediately preceding the issuance of the letter of credit and it has a long-term unsecured credit rating issued by Standard & Poor's of BBB- or better (or an equivalent rating from another nationally recognized credit rating agency); or

(iii) The National Rural Utilities Cooperative Finance Corporation, so long as it maintains assets that place it among the 100 largest United States Banks, determined on basis of total assets as of the calendar year immediately preceding the issuance of the letter of credit and it has a long-term unsecured credit rating issued by Standard & Poor's of BBB- or better (or an equivalent rating from another nationally recognized credit rating agency); or

(iv) Any non-United States bank

(A) That is among the 100 largest non-U.S. banks in the world, determined on the basis of total assets as of

the end of the calendar year immediately preceding the issuance of the letter of credit (determined on a U.S. dollar equivalent basis as of such date);

(B) Has a branch office in the District of Columbia or such other branch office agreed to by the Commission;

(C) Has a long-term unsecured credit rating issued by a widely-recognized credit rating agency that is equivalent to a BBB- or better rating by Standard & Poor's; and

(D) Issues the letter of credit payable in United States dollars

(3) A winning bidder for Phase II auction support shall provide with its letter of credit an opinion letter from its legal counsel clearly stating, subject only to customary assumptions, limitations, and qualifications, that in a proceeding under Title 11 of the United States Code, 11 U.S.C. 101 *et seq.* (the "Bankruptcy Code"), the bankruptcy court would not treat the letter of credit or proceeds of the letter of credit as property of the winning bidder's bankruptcy estate under section 541 of the Bankruptcy Code.

(4) Authorization to receive Phase II auction support is conditioned upon full and timely performance of all of the requirements set forth in this section, and any additional terms and conditions upon which the support was granted.

(i) Failure by a Phase II auction support recipient to meet its service milestones as required by § 54.310 will trigger reporting obligations and the withholding of support as described in § 54.320(c). Failure to come into full compliance within 12 months will trigger a recovery action by the Universal Service Administrative Company. If the Phase II recipient does not repay the requisite amount of support within six months, the Universal Service Administrative Company will be entitled to draw the entire amount of the letter of credit and may disqualify the Phase II auction support recipient from the receipt of Phase II auction support or additional universal service support.

(ii) The default will be evidenced by a letter issued by the Chief of the Wireline Competition Bureau or the Wireless Telecommunications Bureau, or their respective designees, which letter, attached to a standby letter of

credit draw certificate, shall be sufficient for a draw on the standby letter of credit for the entire amount of the standby letter of credit.
