

carrier must offer toll limitation service at no charge to its subscribers as part of its Lifeline service offering.

(b) Eligible telecommunications carriers may allow qualifying low-income consumers to apply Lifeline discounts to any residential service plan with the minimum service levels set forth in § 54.408 that includes fixed or mobile voice telephony service, broadband Internet access service, or a bundle of broadband Internet access service and fixed or mobile voice telephony service; and plans that include optional calling features such as, but not limited to, caller identification, call waiting, voicemail, and three-way calling.

(1) Eligible telecommunications carriers may permit qualifying low-income consumers to apply their Lifeline discount to family shared data plans.

(2) Eligible telecommunications carriers may allow qualifying low-income consumers to apply Lifeline discounts to any residential service plan that includes voice telephony service without qualifying broadband Internet access service prior to December 1, 2021.

(3) Beginning December 1, 2016, eligible telecommunications carriers must provide the minimum service levels for each offering of mobile voice service as defined in § 54.408.

(4) Beginning December 1, 2021, eligible telecommunications carriers must provide the minimum service levels for broadband Internet access service in every Lifeline offering.

(c) Eligible telecommunications carriers may not collect a service deposit in order to initiate Lifeline for voice-only service plans that:

(1) Do not charge subscribers additional fees for toll calls; or

(2) That charge additional fees for toll calls, but the subscriber voluntarily elects toll limitation service.

(d) When an eligible telecommunications carrier is designated by a state commission, the state commission shall file or require the eligible telecommunications carrier to file information with the Administrator demonstrating that the carrier's Lifeline plan meets the criteria set forth in this subpart and describing the terms and conditions of any voice telephony service plans offered to Lifeline subscribers, including details on the num-

ber of minutes provided as part of the plan, additional charges, if any, for toll calls, and rates for each such plan. To the extent the eligible telecommunications carrier offers plans to Lifeline subscribers that are generally available to the public, it may provide summary information regarding such plans, such as a link to a public Web site outlining the terms and conditions of such plans. Lifeline assistance shall be made available to qualifying low-income consumers as soon as the Administrator certifies that the carrier's Lifeline plan satisfies the criteria set out in this subpart.

(e) Consistent with § 52.33(a)(1)(i)(C) of this chapter, eligible telecommunications carriers may not charge Lifeline customers a monthly number-ported-ability charge.

(f) Eligible telecommunications carriers may aggregate eligible subscribers' benefits to provide a collective service to a group of subscribers, provided that each qualifying low-income consumer subscribed to the collective service receives residential service that meets the requirements of paragraph (a) of this section and § 54.408.

§ 54.403 Lifeline support amount.

(a) The federal Lifeline support amount for all eligible telecommunications carriers shall equal:

(1) *Basic support amount.* Federal Lifeline support in the amount of \$9.25 per month will be made available to an eligible telecommunications carrier providing Lifeline service to a qualifying low-income consumer, except as provided in paragraph (a)(2) of this section, if that carrier certifies to the Administrator that it will pass through the full amount of support to the qualifying low-income consumer and that it has received any non-federal regulatory approvals necessary to implement the rate reduction.

(2) For a Lifeline provider offering either standalone voice service, subject to the minimum service standards set forth in § 54.408, or voice service with

§ 54.404

47 CFR Ch. I (10–1–20 Edition)

broadband below the minimum standards set forth in § 54.408, the support levels will be as follows:

(i) Until December 1, 2019, the support amount will be \$9.25 per month.

(ii) From December 1, 2019 until November 30, 2020, the support amount will be \$7.25 per month.

(iii) From December 1, 2020 until November 30, 2021, the support amount will be \$5.25 per month.

(iv) On December 1, 2021, standalone voice service, or voice service not bundled with broadband which meets the minimum standards set forth in § 54.408, will not be eligible for Lifeline support unless the Commission has previously determined otherwise.

(v) Notwithstanding paragraph (a)(2)(iv) of this section, on December 1, 2021, the support amount for standalone voice service, or voice service not bundled with broadband which meets the minimum standards set forth in § 54.408, provided by a provider that is the only Lifeline provider in a Census block will be the support amount specified in paragraph (a)(2)(iii) of this section.

(3) *Tribal lands support amount.* Additional federal Lifeline support of up to \$25 per month will be made available to a eligible telecommunications carrier providing facilities-based Lifeline service to an eligible resident of Tribal lands, as defined in § 54.400(e), if the subscriber's residential location is rural, as defined in § 54.505(b)(3)(i) and (ii), and the eligible telecommunications carrier certifies to the Administrator that it will pass through the full Tribal lands support amount to the qualifying eligible resident of Tribal lands and that it has received any non-federal regulatory approvals necessary to implement the required rate reduction.

(b) *Application of Lifeline discount amount.* (1) Eligible telecommunications carriers that charge federal End User Common Line charges or equivalent federal charges must apply federal Lifeline support to waive the federal End User Common Line charges for Lifeline subscribers if the carrier is seeking Lifeline reimbursement for eligible voice telephony service provided to those subscribers. Such carriers must apply any additional federal sup-

port amount to a qualifying low-income consumer's intrastate rate, if the carrier has received the non-federal regulatory approvals necessary to implement the required rate reduction. Other eligible telecommunications carriers must apply the federal Lifeline support amount, plus any additional support amount, to reduce the cost of any generally available residential service plan or package offered by such carriers that provides at least one supported service as described in § 54.101(a), and charge Lifeline subscribers the resulting amount.

§ 54.404 The National Lifeline Accountability Database.

(a) *State certification.* An eligible telecommunications carrier operating in a state that provides an approved valid certification to the Commission in accordance with this section is not required to comply with the requirements set forth in paragraphs (b) and (c) of this section with respect to the eligible telecommunications carriers' subscribers in that state. A valid certification must include a statement that the state has a comprehensive system in place to prevent duplicative federal Lifeline support that is at least as robust as the system adopted by the Commission and that incorporates information from all eligible telecommunications carriers receiving low-income support in the state and their subscribers. A valid certification must also describe in detail how the state system functions and for each requirement adopted by the Commission to prevent duplicative support, how the state system performs the equivalent functions. The certification must be submitted to the Commission no later than six months from the effective date of this section of the Commission's rules to be valid. Such certification will be considered approved unless the
