

the amount it expects to receive as reimbursement from the universal service support mechanisms for the discounts provided under this subpart.

Secondary school. A “secondary school” means a secondary school as defined in 20 U.S.C. 7801(38), a non-profit institutional day or residential school, including a public secondary charter school, that provides secondary education, as determined under state law except that the term does not include any education beyond grade 12.

State telecommunications network. A “state telecommunications network” is a state government entity that procures, among other things, telecommunications offerings from multiple service providers and bundles such offerings into packages available to schools, libraries, or rural health care providers that are eligible for universal service support, or a state government entity that provides, using its own facilities, such telecommunications offerings to such schools, libraries, and rural health care providers.

Voice services. “Voice services” include local phone service, long distance service, plain old telephone service (POTS), radio loop, 800 service, satellite telephone, shared telephone service, Centrex, wireless telephone service such as cellular, interconnected voice over Internet protocol (VoIP), and the circuit capacity dedicated to providing voice services.

Wide area network. For purposes of this subpart, a “wide area network” is a voice or data network that provides connections from one or more computers within an eligible school or library to one or more computers or networks that are external to such eligible school or library. Excluded from this definition is a voice or data network that provides connections between or among instructional buildings of a single school campus or between or among non-administrative buildings of a single library branch.

§ 54.501 Eligible recipients.

(a) *Schools.* (1) Only schools meeting the statutory definition of “elementary school” or “secondary school” as defined in § 54.500 of this subpart, and not excluded under paragraphs (a)(2) or (3) of this section shall be eligible for discounts on telecommunications and other supported services under this subpart.

(2) Schools operating as for-profit businesses shall not be eligible for discounts under this subpart.

(3) Schools with endowments exceeding \$50,000,000 shall not be eligible for discounts under this subpart.

(b) *Libraries.* (1) Only libraries eligible for assistance from a State library administrative agency under the Library Services and Technology Act (Pub. L. 104-208) and not excluded under paragraphs (b)(2) or (3) of this section shall be eligible for discounts under this subpart.

(2) A library’s eligibility for universal service funding shall depend on its funding as an independent entity. Only libraries whose budgets are completely separate from any schools (including, but not limited to, elementary and secondary schools, colleges, and universities) shall be eligible for discounts as libraries under this subpart.

(3) Libraries operating as for-profit businesses shall not be eligible for discounts under this subpart.

(c) *Consortia.*

(1) For consortia, discounts under this subpart shall apply only to the portion of eligible telecommunications and other supported services used by eligible schools and libraries.

(2) Service providers shall keep and retain records of rates charged to and discounts allowed for eligible schools and libraries—on their own or as part of a consortium. Such records shall be available for public inspection.
