the year in which the costs were incurred and the offset against the carrier's universal service obligation was applied.

[63 FR 67009, Dec. 4, 1998]

§ 54.516 Auditing and inspections.

(a) *Recordkeeping requirements*—(1) *Schools, libraries, and consortia.* Schools, libraries, and any consortium that includes schools or libraries shall retain all documents related to the application for, receipt, and delivery of supported services for at least 10 years after the latter of the last day of the applicable funding year or the service delivery deadline for the funding request. Any other document that demonstrates compliance with the statutory or regulatory requirements for the schools and libraries mechanism shall be retained as well. Schools, libraries, and consortia shall maintain asset and inventory records of equipment purchased as components of supported category two services sufficient to verify the actual location of such equipment for a period of 10 years after purchase.

(2) *Service providers.* Service providers shall retain documents related to the delivery of supported services for at least 10 years after the latter of the last day of the applicable funding year or the service delivery deadline for the funding request. Any other document that demonstrates compliance with the statutory or regulatory requirements for the schools and libraries mechanism shall be retained as well.

(b) *Production of records.* Schools, libraries, consortia, and service providers shall produce such records at the request of any representative (including any auditor) appointed by a state education department, the Administrator, the FCC, or any local, state or federal agency with jurisdiction over the entity.

(c) *Audits.* Schools, libraries, consortia, and service providers shall be subject to audits and other investigations to evaluate their compliance with the statutory and regulatory requirements for the schools and libraries universal service support mechanism, including those requirements pertaining to what services and products are purchased, what services and products are delivered, and how services and prod-

ucts are being used. Schools, libraries, and consortia receiving discounted services must provide consent before a service provider releases confidential information to the auditor, reviewer, or other representative.

(d) *Inspections.* Schools, libraries, consortia and service providers shall permit any representative (including any auditor) appointed by a state education department, the Administrator, the Commission or any local, state or federal agency with jurisdiction over the entity to enter their premises to conduct E-rate compliance inspections.

§§ 54.517–54.518 [Reserved]

§ 54.519 State telecommunications networks.

(a) *Telecommunications services.* State telecommunications networks may secure discounts under the universal service support mechanisms on supported telecommunications services (as described in § 54.502(a)) on behalf of eligible schools and libraries (as described in § 54.501) or consortia that include an eligible school or library. Such state telecommunications networks shall pass on such discounts to eligible schools and libraries and shall:

(1) Maintain records listing each eligible school and library and showing the basis for each eligibility determination;

(2) Maintain records demonstrating the discount amount to which each eligible school and library is entitled and the basis for such determination;

(3) Take reasonable steps to ensure that each eligible school or library receives a proportionate share of the shared services;

(4) Request that service providers apply the appropriate discount amounts on the portion of the supported services used by each school or library;

(5) Direct eligible schools and libraries to pay the discounted price; and

(6) Comply with the competitive bid requirements set forth in § 54.503.

(b) *Internet access and installation and maintenance of internal connections.* State telecommunications networks either may secure discounts on Internet
