

Federal Communications Commission

§ 63.701

Data regarding substitute service to be provided by other public coast stations available and capable of providing service to the community affected, or in the marine area served by the public coast station involved:

Station call and location	Operated by	Hours of service		
		Monday thru Friday	Saturday	Sunday

§ 63.602 Additional contents of applications to discontinue, reduce, or impair an existing retail service as part of a technology transition.

- (a) The application shall include:
 - (1) The contents specified in § 63.505 of this part;
 - (2) A statement identifying the application as involving a technology transition, as defined in § 63.60(h) of this part;
 - (3) Information regarding the price of the service for which discontinuance authority is sought and the price of the proposed replacement service; and
 - (4) A certification, executed by an officer or other authorized representative of the applicant and meeting the requirements of § 1.16 of this chapter, that the information required by this section is true and accurate.
- (b) In order to be eligible for automatic grant under § 63.71(f) of this part, an applicant must demonstrate that a service(s) identified pursuant to § 63.505(k)(2) of this part is an adequate replacement for the voice service identified pursuant to § 63.505(k)(1) of this part by either certifying or showing, based on the totality of the circumstances, that one or more replacement service(s) satisfies all of the following criteria:
 - (1) Offers substantially similar levels of network infrastructure and service quality as the service being discontinued;

NOTE TO PARAGRAPH (b)(1): For purposes of this section, “substantially similar” means that the network operates at a sufficient level such that it will allow the network platform to ensure adequate service quality for interactive and highly-interactive applications or services, in particular voice service quality, and support applications and functionalities that run on those services.

- (2)(i) Complies with regulations regarding the availability and functionality of 911 service for consumers and public safety answering points (PSAPs), specifically §§ 1.7001 through .7002, 9.5, 12.4, 12.5, 20.18, 20.3, 64.3001 of this chapter;
 - (ii) Offers comparably effective protection from network security risks as the service being discontinued; and
 - (iii) Complies with regulations governing accessibility, usability, and compatibility requirements for:
 - (A) Telecommunications services and functionalities;
 - (B) Voicemail and interactive menu functionalities; and
 - (C) Advanced communications services, specifically 47 CFR 6.1 through 6.11, 7.1 through 7.11, 14.1 through 14.21, 14.60 through 14.61; and
- (3) Offers interoperability with key applications and functionalities.

REQUEST FOR DESIGNATION AS A RECOGNIZED PRIVATE OPERATING AGENCY

§ 63.701 Contents of application.

Except as otherwise provided in this part, any party requesting designation as a recognized operating agency within the meaning of the International Telecommunication Convention shall file a request for such designation with the Commission. A request for designation as a recognized operating agency within the meaning of the International Telecommunication Convention shall include a statement of the nature of the services to be provided and a statement that the party is aware that it is obligated under Article 6 of the ITU Constitution to obey the mandatory provisions thereof, and all regulations promulgated thereunder, and a pledge that it will engage in no conduct or operations that contravene such mandatory provisions and that it will otherwise obey the Convention and regulations in all respects. The party must also include a statement that it is aware that failure to comply will result in an order from the Federal Communications Commission to cease and desist from future violations of an ITU regulation and may result in revocation of its recognized operating agency
