

§ 64.2500

47 CFR Ch. I (10–1–20 Edition)

Common carriers must prominently display on each bill a toll-free number or numbers by which subscribers may inquire or dispute any charges on the bill. A carrier may list a toll-free number for a billing agent, clearinghouse, or other third party, provided such party possesses sufficient information to answer questions concerning the subscriber's account and is fully authorized to resolve the consumer's complaints on the carrier's behalf. Where the subscriber does not receive a paper copy of his or her telephone bill, but instead accesses that bill only by e-mail or internet, the carrier may comply with this requirement by providing on the bill an e-mail or web site address. Each carrier must make a business address available upon request from a consumer.

(e) *Definition of clear and conspicuous.* For purposes of this section, "clear and conspicuous" means notice that would be apparent to the reasonable consumer.

(f) *Blocking of third-party charges.* (1) Carriers that offer subscribers the option to block third-party charges from appearing on telephone bills must clearly and conspicuously notify subscribers of this option at the point of sale and on each carrier's Web site.

(2) Carriers that offer subscribers the option to block third-party charges from appearing on telephone bills must clearly and conspicuously notify subscribers of this option on each telephone bill.

(g) *Prohibition against unauthorized charges.* Carriers shall not place or cause to be placed on any telephone bill charges that have not been authorized by the subscriber.
