Subpart A—General

§ 65.1 Application of part 65.

(a) This part establishes procedures and methodologies for Commission prescription of an authorized unitary interstate exchange access rate of return and individual rates of return for the interstate exchange access rates of certain carriers pursuant to § 65.102. This part shall apply to those interstate services of local exchange carriers as the Commission shall designate by rule or order, except that all local exchange carriers shall provide to the Commission that information which the Commission requests for purposes of conducting prescription proceedings pursuant to this part.

(b) Local exchange carriers subject to §§ 61.41 through 61.49 of this chapter are exempt from the requirements of this part with the following exceptions:

(1) Except as otherwise required by Commission order, carriers subject to §§ 61.41 through 61.49 of this chapter shall employ the rate of return value calculated for interstate access services in complying with any applicable rules under parts 36 and 69 that require a return component;

(2) Carriers subject to §§ 61.41 through 61.49 of this chapter shall be subject to § 65.600(d);

Subpart B—Procedures

§ 65.100 Participation and acceptance of service designation.

(a) All interstate exchange access carriers, their customers, and any member of the public may participate in rate of return proceedings to determine the authorized unitary interstate exchange access or individual interstate exchange access rates of return authorized pursuant to § 65.102.

(b) Participants shall state in their initial pleading in a prescription proceeding whether they wish to receive service of documents and other material filed in the proceeding. Participants that wish to receive service by hand on the filing dates when so required by this part 65 shall specify in their initial pleading in a prescription proceeding, as specified in § 65.103 (b) and (c), an agent for acceptance of service by hand in the District of Columbia. The participant may elect in its pleading to receive service by mail or upon an agent at another location. When such an election is made, other participants need not complete service on the filing date, and requests for extension of time due to delays in completion of service will not be entertained.

§ 65.101 Initiation of unitary rate of return prescription proceedings.

(a) Whenever the Commission determines that the monthly average yields on ten (10) year United States Treasury securities remain, for a consecutive six (6) month period, at least 150 basis points above or below the average of the monthly average yields in effect for the consecutive six (6) month period immediately prior to the effective date of the current prescription, the Commission shall issue a notice inquiring whether a rate of return prescription according to this part should commence. This notice shall state:

(1) The deadlines for filing initial and reply comments regarding the notice;

§ 65.102

(2) The cost of debt, cost of preferred stock, and capital structure computed in accordance with §§ 65.302, 65.303, and 65.304; and

(3) Such other information as the Commission may deem proper.

(b) Based on the information submitted in response to the notice described in § 65.101(a), and on any other information specifically identified, the Commission may issue a notice initiating a prescription proceeding pursuant to this part.

(c) The Chief, Wireline Competition Bureau, may issue the notice described in § 65.101(a).

§ 65.102 Petitions for exclusion from unitary treatment and for individual treatment in determining authorized return for interstate exchange access service.

(a) Exclusion from unitary treatment will be granted for a period of two years if the cost of capital for interstate exchange service is so low as to be confiscatory because it is outside the zone of reasonableness for the individual carrier's required rate of return for interstate exchange access services.

(b) A petition for exclusion from unitary treatment and for individual treatment must plead with particularity the exceptional facts and circumstances that justify individual treatment. The showing shall include a demonstration that the exceptional facts and circumstances are not of transitory effect, such that exclusion for a period of a least two years is justified.

(c) A petition for exclusion from unitary treatment and for individual treatment may be filed at any time. When a petition is filed at a time other than that specified in § 65.103(b)(2), the petitioner must provide compelling evidence that its need for individual treatment is not simply the result of short-term fluctuations in the cost of capital or similar events.

The Chief, Wireline Competition Bureau, may require from carriers providing interstate services, and from other participants submitting rate of return submissions, data, studies or other information that are reasonably calculated to lead to a full and fair record.

(b) In proceedings to prescribe an authorized unitary rate of return on interstate access services, interested parties may file direct case submissions, responses, and rebuttals. Direct case submissions shall be filed within sixty (60) calendar days following the effective date of a Commission notice initiating a rate of return proceeding pursuant to § 65.101(b). Rate of return submissions responsive to the direct case submissions shall be filed within sixty (60) calendar days after the deadline for filing direct case submissions. Rebuttal submissions shall be filed within twenty-one (21) calendar days after the deadline for filing responsive submissions.

(c) Petitions for exclusion from unitary treatment and for individual treatment may be filed on the same date as the deadline for filing responsive rate of return submissions. Oppositions shall be filed within 35 calendar days thereafter. Rebuttal submissions shall be filed within 21 calendar days after the deadline for filing responsive submissions.

(d) An original and 4 copies of all rate of return submissions shall be filed with the Secretary.

(e) The filing party shall serve a copy of each rate of return submission, other than an initial submission, on all participants who have filed a designation of service notice pursuant to § 65.100(b).
