§ 69.5 Persons to be assessed.

(a) End user charges shall be computed and assessed upon public end users, and upon providers of public telephones, as defined in this subpart, and as provided in subpart B of this part.

(b) Carrier's carrier charges shall be computed and assessed upon all Interexchange Carriers that use local exchange switching facilities for the provision of interstate or foreign telecommunications services, except that:

(1) Local exchange carriers may not assess a terminating switched access tandem switching or terminating switched access tandem transport charge described in §69.4(b)(5) on Interexchange Carriers when the terminating traffic is destined for a local exchange carrier engaged in Access Stimulation, as that term is defined in §61.3(bbb) of this chapter consistent with the provisions of §61.26(g)(3) of this chapter and §69.3(e)(12)(iv).

(2) Intermediate Access Providers may assess a terminating switched ac-

cess tandem switching or terminating switched access tandem transport charge described in §69.4(b)(5) on local exchange carriers when the terminating traffic is destined for a local exchange carrier engaged in Access Stimulation, as that term is defined in §61.3(bbb) of this chapter consistent with the provisions of §61.26(g)(3) of this chapter and §69.3(e)(12)(iv).

(c) Special access surcharges shall be assessed upon users of exchange facilities that interconnect these facilities with means of interstate or foreign telecommunications to the extent that carrier's carrier charges are not assessed upon such interconnected usage. As an interim measure pending the development of techniques accurately to measure such interconnected use and to assess such charges on a reasonable and non-discriminatory basis, telephone companies shall assess special access surcharges upon the closed ends of private line services and WATS services pursuant to the provisions of §69.115 of this part.

§ 69.104 End user common line for non-price cap incumbent local exchange carriers.

(a) This section is applicable only to incumbent local exchange carriers that are not subject to price cap regulation as that term is defined in §61.3(ee) of this chapter. A charge that is expressed in dollars and cents per line per month shall be assessed upon end users that subscribe to local exchange telephone service or Centrex service to the extent they do not pay carrier common line charges. A charge that is expressed in
