

§ 69.602

47 CFR Ch. I (10–1–20 Edition)

§ 69.602 Board of directors.

(a) For purposes of this section, the association membership shall be divided into three subsets:

(1) The first subset shall consist of the telephone companies owned and operated by the seven Regional Bell Holding Companies;

(2) The second subset shall consist of all other telephone companies with annual operating revenues in excess of forty million dollars;

(3) The third subset shall consist of all other telephone companies. All commonly controlled companies shall be deemed to be one company for purposes of this section.

(b) There shall be fifteen directors of the association.

(c) Two directors shall represent the first subset, two directors shall represent the second subset, six directors shall represent the third subset, and five directors shall represent all three subsets.

(d) No director who represents all three subsets shall be a current or former officer or employee of the association or of any association member, or have a business relationship or other interest that could interfere with his or her exercise of independent judgment.

(e) Each subset of the association membership shall select the directors who will represent it through elections in which each member of the subset shall be entitled to one vote for each director position within that subset.

(f) The association membership shall select the directors who will represent all three subsets through an election in which each member of the association shall be entitled to one vote for each director position. No director representing all three subsets may serve for more than six consecutive calendar years without standing for an election in which that director is opposed by at least one other candidate meeting the qualifications in paragraph (d) of this section.

(g) At least one director representing all three subsets shall be a member of each committee of association directors.

(h) For each access element or group of access elements for which voluntary pooling is permitted, there shall be a

committee that is responsible for the preparation of charges for the associated access elements that comply with all applicable sections in this part.

§ 69.603 Association functions.

(a) The Association shall not engage in any activity that is not related to the preparation of access charge tariffs or the collection and distribution of access charge revenues or the operation of a billing and collection pool on an untariffed basis unless such activity is expressly authorized by order of the Commission.

(b) Participation in Commission or court proceedings relating to access charge tariffs, the billing and collection of access charges, the distribution of access charge revenues, or the operation of a billing and collection pool on an untariffed basis shall be deemed to be authorized association activities.

(c)–(e) [Reserved]

(f) The association shall also prepare and file an access charge tariff containing terms and conditions for access service and form for the filing of rate schedules by telephone companies that choose to reference these terms and conditions while filing their own access rates.

(g) The association shall divide the expenses of its operations into two categories. The first category (“Category I Expenses”) shall consist of those expenses that are associated with the preparation, defense, and modification of association tariffs, those expenses that are associated with the administration of pooled receipts and distributions of exchange carrier revenues resulting from association tariffs, those expenses that are associated with association functions pursuant to paragraphs (c) through (g) of this section, and those expenses that pertain to Commission proceedings involving this subpart. The second category (“Category II Expenses”) shall consist of all other association expenses. Category I Expenses shall be sub-divided into three components in proportion to the revenues associated with each component. The first component (“Category I.A Expenses”) shall be in proportion to High Cost Loop Support revenues.

Federal Communications Commission

§ 69.605

The second component (“Category I.B Expenses”) shall be in proportion to the sum of the association End User Common Line revenues and the association Special Access Surcharge revenues. Interstate Common Line Support Revenues and Connect America Fund Broadband Loop Support revenues shall be included in the allocation base for Category I.B expenses. The third component (“Category I.C Expenses”) shall be in proportion to the revenues from all other association interstate access charges.

(h)(1) The revenue requirement for association tariffs filed pursuant to § 69.4(c) shall not include any association expenses other than Category I.A Expenses.

(2) The revenue requirement for association tariffs filed pursuant to § 69.4(a) and (b)(2) shall not include any Association expenses other than Category I.B Expenses.

(3) The revenue requirement for association tariffs filed pursuant to § 69.4(b)(1) and (3)–(7) shall not include any association expenses other than Category I.C Expenses.

(4) No distribution to an exchange carrier of High Cost Loop Support revenues shall include adjustments for association expenses other than Category I.A. Expenses.

(5) No distribution to an exchange carrier of revenues from association End User Common Line charges shall include adjustments for association expenses other than Category I.B Expenses. Interstate Common Line Support and Connect America Fund Broadband Loop Support shall be subject to this provision.

(6) No distribution to an exchange carrier of revenues from association interstate access charges other than End User Common Line charges and Special Access Surcharges shall include adjustments for association expenses other than Category I.C Expenses.

(7) The association shall separately identify all Category I.A, I.B and I.C expenses in cost support materials filed

with each annual association access tariff filing.

§ 69.604 Billing and collection of access charges.

(a) Telephone companies shall bill and collect all access charges except those charges specified in §§ 69.116 and 69.117.

(b) All access charges shall be billed monthly.

[51 FR 9012, Mar. 17, 1986, as amended at 52 FR 21543, June 8, 1987]

§ 69.605 Reporting and distribution of pool access revenues.

(a) Access revenues and cost data shall be reported by participants in association tariffs to the association for computation of monthly pool revenues distributions in accordance with this subpart.

(b) Association expenses incurred during the month that are allowable access charge expenses shall be reimbursed before any other funds are disbursed.

(c) Except as provided in paragraph (b) of this section, payments to average schedule companies that are computed in accordance with § 69.606 shall be disbursed before any other funds are disbursed. For purposes of this part, a telephone company that was participating in average schedule settlements on December 1, 1982, shall be deemed to be an average schedule company except that any company that does not join in association tariffs for all access elements shall not be deemed to be an average schedule company.

(d) The residue shall be disbursed to telephone companies that are not average schedule companies in accordance with §§ 69.607 through 69.610.

(e) The association shall submit a report on or before February 1 of each calendar year describing the association’s cost study review process for the preceding calendar year as well as the results of that process. For any revisions to cost study results made or recommended by the association that would change the respective carrier’s
