§ 76.1611 Political cable rates and classes of time.

If a system permits a candidate to use its cablecast facilities, the system shall disclose to all candidates information about rates, terms, conditions and all value-enhancing discount privileges offered to commercial advertisers. Systems may use reasonable discretion in making the disclosure; provided, however, that the disclosure includes, at a minimum, the following information:

(a) A description and definition of each class of time available to commercial advertisers sufficiently complete enough to allow candidates to identify and understand what specific attributes differentiate each class;

(b) A description of the lowest unit charge and related privileges (such as priorities against preemption and make goods prior to specific deadlines) for each class of time offered to commercial advertisers;

(c) A description of the system's method of selling preemptible time based upon advertiser demand, commonly known as the "current selling level," with the stipulation that candidates will be able to purchase at these demand-generated rates in the same manner as commercial advertisers;

(d) An approximation of the likelihood of preemption for each kind of preemptible time; and

(e) An explanation of the system's sales practices, if any, that are based on audience delivery, with the stipulation that candidates will be able to purchase this kind of time, if available to commercial advertisers.

§ 76.1614 Identification of must-carry signals.

A cable operator shall respond in writing within 30 days to any written request by any person for the identification of the signals carried on its system in fulfillment of the must-carry requirements of § 76.56. The required written response may be delivered by email, if the consumer used email to make the request or complaint directly to the cable operator, or if the consumer specifies email as the preferred delivery method in the request or complaint.

§ 76.1615 Sponsorship identification.

(a) When a cable television system operator engaged in origination cablecasting presents any matter for which money, service, or other valuable consideration is either directly or indirectly paid or promised to, or charged or accepted by such cable television system operator, the cable television system operator, at the time of the cablecast, shall announce that such matter is sponsored, paid for, or furnished, either in whole or in part, and by whom or on whose behalf such consideration was supplied: *Provided, however*, that "service or other valuable consideration" shall not include any service or property furnished either without or at a nominal charge for use on, or in connection with, a cablecast unless it is so furnished in consideration for an identification of any person, product, service, trademark, or brand name beyond an identification reasonably related to the use of such service or property on the cablecast. For the purposes of this section, the term "sponsored" shall be deemed to have the same meaning as "paid for." In the case of any political advertisement cablecast under this paragraph that concerns candidates for public office, the sponsor shall be identified with letters equal to or greater than four (4) percent of the vertical picture height that air for not less than four (4) seconds.

(b) Each cable television system operator engaged in origination cablecasting shall exercise reasonable diligence to obtain from employees,
