from a qualified minority programming source or from any qualified educational programming source pursuant to this section may not exceed 33 percent of the channel capacity designated pursuant to 47 U.S.C. 532 and must be located on a tier with more than 50 percent subscriber penetration.

(b) For purposes of this section, a qualified minority programming source is a programming source that devotes substantially all of its programming to coverage of minority viewpoints, or to programming directed at members of minority groups, and which is over 50 percent minority-owned.

(c) For purposes of this section, a qualified educational programming source is a programming source that devotes substantially all of its programming to educational or instructional programming that promotes public understanding of mathematics, the sciences, the humanities, or the arts and has a documented annual expenditure on programming exceeding \$15 million. The annual expenditure on programming means all annual costs incurred by the programming source to produce or acquire programs which are scheduled to be televised, and specifically excludes marketing, promotion, satellite transmission and operational and general administrative costs. costs.

(d) For purposes of paragraphs (b) and (c) of this section, *substantially all* means that 90% or more of the programming offered must be devoted to minority or educational purposes, as defined in paragraphs (b) and (c) of this section, respectively.

(e) For purposes of paragraph (b) of this section, "minority" is defined as in 47 U.S.C. 309(i)(3)(c)(ii) to include Blacks, Hispanics, American Indians, Alaska Natives, Asians and Pacific Islanders.

§76.980 Charges for customer changes.

(a) This section shall govern charges for any changes in service tiers or equipment provided to the subscriber that are initiated at the request of a subscriber after initial service installation. 47 CFR Ch. I (10-1-20 Edition)

(b) The charge for customer changes in service tiers effected solely by coded entry on a computer terminal or by other similarly simple methods shall be a nominal amount, not exceeding actual costs, as defined in paragraph (c) of this section.

(c) The charge for customers changes in service tiers or equipment that involve more than coded entry on a computer or other similarly simple method shall be based on actual cost. The actual cost charge shall be either the HSC, as defined in Section 76.923 of the rules, multiplied by the number of persons hours needed to implement the change, or the HSC multiplied by the average number of persons hours involved in implementing customer changes.

(d) A cable operator may establish a higher charge for changes effected solely by coded entry on a computer terminal or by other similarly simple methods, subject to approval by the franchising authority, for a subscriber changing service tiers more than two times in a twelve month period, except for such changes ordered in response to a change in price or channel line-up.

(e) Downgrade charges that are the same as, or lower than, upgrade charges are evidence of the reasonableness of such downgrade charges.

(f) For 30 days after notice of retiering or rate increases, a customer may obtain changes in service tiers at no additional charge.

NOTE 1 TO 76.980: Cable operators must also notify subscribers of potential charges for customer service changes, as provided in 76.1604.

§76.981 Negative option billing.

(a) A cable operator shall not charge a subscriber for any service or equipment that the subscriber has not affirmatively requested by name. A subscriber's failure to refuse a cable operator's proposal to provide such service or equipment is not an affirmative request for service or equipment. A subscriber's affirmative request for service or equipment may be made orally or in writing.

(b) The requirements of paragraph (a) of this section shall not preclude the

adjustment of rates to reflect inflation, cost of living and other external costs, the addition or deletion of a specific program from a service offering, the addition or deletion of specific channels from an existing tier or service, the restructuring or division of existing tiers of service, or the adjustment of rates as a result of the addition, deletion or substitution of channels pursuant to §76.922, provided that such changes do not constitute a fundamental change in the nature of an existing service or tier of service and are otherwise consistent with applicable regulations.

(c) State and local governments may not enforce state and local consumer protection laws that conflict with or undermine paragraph (a) or (b) of this section or any other sections of this Subpart that were established pursuant to Section 3 of the 1992 Cable Act, 47 U.S.C. 543.

[59 FR 62625, Dec. 6, 1994]

§76.982 Continuation of rate agreements.

During the term of an agreement executed before July 1, 1990, by a franchising authority and a cable operator providing for the regulation of basic cable service rates, where there was not effective competition under Commission rules in effect on that date, the franchising authority may regulate basic cable rates without following section 623 of the 1992 Cable Act or §§76.910 through 76.942. A franchising authority regulating basic cable rates pursuant to such a rate agreement is not required to file for certification during the remaining term of the agreement but shall notify the Commission of its intent to continue regulating basic cable rates.

§76.983 Discrimination.

(a) No Federal agency, state, or local franchising authority may prohibit a cable operator from offering reasonable discounts to senior citizens or to economically disadvantaged groups.

(1) Such discounts must be offered equally to all subscribers in the franchise area who qualify as members of these categories, or any reasonable subcategory thereof. (2) For purposes of this section, members of economically disadvantaged groups are those individuals who receive federal, state or local welfare assistance.

(b) Nothing herein shall preclude any Federal agency, state, or local franchising authority from requiring and regulating the reception of cable service by hearing impaired individuals.

§76.984 Geographically uniform rate structure.

(a) The rates charged by cable operators for basic service, cable programming service, and associated equipment and installation shall be provided pursuant to a rate structure that is uniform throughout each franchise area in which cable service is provided.

(b) This section does not prohibit the establishment by cable operators of reasonable categories of service and customers with separate rates and terms and conditions of service, within a franchise area.

(c) This section does not apply to:

(1) A cable operator with respect to the provision of cable service over its cable system in any geographic area in which the video programming services offered by the operator in that area are subject to effective competition, or

(2) Any video programming offered on a per channel or per program basis.

(3) Bulk discounts to multiple dwelling units shall not be subject to this section, except that a cable operator of a cable system that is not subject to effective competition may not charge predatory prices to a multiple dwelling unit. Upon a prima facie showing by a complainant that there are reasonable grounds to believe that the discounted price is predatory, the cable system shall have the burden of showing that its discounted price is not predatory.

NOTE 1 TO PARAGRAPH (c)(3): Discovery procedures for predatory pricing complaints. Requests for discovery will be addressed pursuant to the procedures specified in ^{6.7}(f).

NOTE 2 TO PARAGRAPH (c)(3): Confidential information. Parties submitting material believed to be exempt from disclosure pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. 552(b), and the Commission's rules,
