§ 79.110 Complaint procedures for user interfaces, menus and guides, and activating accessibility features on digital apparatus and navigation devices.

(a) Complaints concerning an alleged violation of the requirements of § 79.107, § 79.108, or § 79.109 must be filed in accordance with this section. For purposes of this section, a covered entity is the entity or entities responsible for compliance with § 79.107, § 79.108, or § 79.109.

(1) Complaints must be filed with the Commission or with the covered entity within 60 days after the date the complainant experiences a problem relating to compliance with the requirements of § 79.107, § 79.108, or § 79.109. A complaint filed with the Commission may be transmitted to the Consumer and Governmental Affairs Bureau by any reasonable means, such as the Commission's online informal complaint filing system, letter, facsimile, telephone (voice/TRS/TTY), email, or some other method that would best accommodate the complainant's disability.

(2) A complaint should include the following information:

(i) The complainant's name, address, and other contact information, such as telephone number and email address;

(ii) The name and contact information of the covered entity;

(iii) Information sufficient to identify the software or digital apparatus/navigation device used;

(iv) The date or dates on which the complainant purchased, acquired, or used, or tried to purchase, acquire, or use the digital apparatus/navigation device;

(v) A statement of facts sufficient to show that the covered entity has violated, or is violating, the Commission's rules;

(vi) The specific relief or satisfaction sought by the complainant;

(vii) The complainant's preferred format or method of response to the complaint; and

(viii) If a complaint pursuant to § 79.108, the date that the complainant requested an accessible navigation de-

vice and the person or entity to whom that request was directed.

(3) If a complaint is filed first with the Commission, the Commission will forward a complaint satisfying the above requirements to the named covered entity for its response, as well as to any other entity that Commission staff determines may be involved. The covered entity or entities must respond in writing to the Commission and the complainant within 30 days after receipt of the complaint from the Commission.

(4) If a complaint is filed first with the covered entity, the covered entity must respond in writing to the complainant within 30 days after receipt of a complaint. If the covered entity fails to respond to the complainant within 30 days, or the response does not satisfy the consumer, the complainant may file the complaint with the Commission within 30 days after the time allotted for the covered entity to respond. If the consumer subsequently files the complaint with the Commission (after filing with the covered entity) and the complaint satisfies the above requirements in paragraph 2 of this section, the Commission will forward the complaint to the named covered entity for its response, as well as to any other entity that Commission staff determines may be involved. The covered entity must then respond in writing to the Commission and the complainant within 30 days after receipt of the complaint from the Commission.

(5) In response to a complaint, the covered entity must file with the Commission sufficient records and documentation to prove that it was (and remains) in compliance with the Commission's rules. Conclusory or insufficiently supported assertions of compliance will not carry the covered entity's burden of proof. If the covered entity admits that it was not, or is not, in compliance with the Commission's rules, it must file with the Commission sufficient records and documentation to explain the reasons for its non-compliance, show what remedial steps it has taken or will take, and show why such steps have been or will be sufficient to remediate the problem.

Federal Communications Commission

§ 79.110

(6) The Commission will review all relevant information provided by the complainant and the covered entity, as well as any additional information the Commission deems relevant from its files or public sources. The Commission may request additional information from any relevant parties when, in the estimation of Commission staff, such information is needed to investigate the complaint or adjudicate potential violations of Commission rules. When the Commission requests additional information, parties to which such requests are addressed must provide the requested information in the manner and within the time period the Commission specifies.

(7) If the Commission finds that a covered entity has violated the require-

ments of §§79.107, 79.108, or 79.109, it may employ the full range of sanctions and remedies available under the Communications Act of 1934, as amended, against any or all of the violators.

(b) *Contact information.* A covered entity must make contact information available for the receipt and handling of complaints. The contact information required must include the name of a person with primary responsibility for accessibility compliance issues. This contact information must also include that person's title or office, telephone number, fax number, postal mailing address, and email address. A covered entity must keep this information current and update it within 10 business days of any change.
