Records Unit, room B-099 in the main Department building.
Therefore, in accordance with section 751(h) of the Act and 19 CFR 351.224(e), we are amending the *Final Results* of the

administrative reviews of the antidumping duty orders on HFHTs from PRC for TMC and Huarong. The revised weighted-average dumping margins are detailed in the chart below.

Manufacturer/exporter	Time Period	Margin (percent)
Tianjin Machinery Import & Export Corporation.

Hammers/Sledges	2/1/00–1/31/01	22.91

Shandong Huarong General Group Corporation.

Assessment Rates

The Department will determine, and U.S. Customs and Border Protection (“CBP”) shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), for the respondents receiving calculated dumping margins, we calculated importer-specific per-unit duty assessment rates based on the ratio of the total amount of the dumping duties calculated for the examined sales to the total quantity of those same sales. These importer-specific per-unit rates will be assessed uniformly on all entries of each importer that were made during the POR. In accordance with 19 CFR 351.106(c)(2), we will instruct CBP to liquidate without regard to antidumping duties any entries for which the importer-specific assessment rate is *de minimis* (i.e., less than 0.5 percent *ad valorem*). In testing whether any importer-specific assessment rate is *de minimis*, we divided each importer’s total amount of dumping duties by the total value of each importer’s U.S. sales, which we calculated using net U.S. prices. The Department will issue liquidation instructions directly to CBP within fifteen days of the publication of the amended final results of these administrative reviews.

These amended final results of administrative reviews are issued and published in accordance with section 751(h) of the Act and 19 CFR 351.224(e).

Dated: February 21, 2006.

Assistant Secretary for Import Administration.

Tapered Roller Bearings and Parts Thereof, Finished or Unfinished, From the People’s Republic of China: Extension of Time Limit for the Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: February 28, 2006.

FOR FURTHER INFORMATION CONTACT: Eugene Degnan or Robert Bolling, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-0414 or (202) 482-3434, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 21, 2005, the Department of Commerce (“the Department”) published in the **Federal Register** a notice of initiation of the antidumping duty administrative review of tapered roller bearings and parts thereof, finished or unfinished, from the People’s Republic of China for the period June 1, 2004, through May 31, 2005. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 42028 (July 21, 2005). The preliminary results of review are currently due no later than March 2, 2006.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to issue preliminary results within 245 days after the last day of the anniversary month of an order. However, if it is not

practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 365 days. Completion of the preliminary results of this review within the 245-day period is not practicable because the Department needs additional time to analyze information pertaining to the respondent’s sales practices, factors of production, and corporate relationships, to evaluate certain issues raised by the petitioners, and to issue and review responses to supplemental questionnaires.

Because it is not practicable to complete this review within the time specified under the Act, we are extending the time period for issuing the preliminary results of review by 60 days until May 1, 2006, in accordance with section 751(a)(3)(A) of the Act. The final results continue to be due 120 days after the publication of the preliminary results of review.

Dated: February 21, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Wooden Bedroom Furniture From the People’s Republic of China: Extension of Time Limit for the Preliminary Results of Antidumping Duty New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: February 28, 2006.

FOR FURTHER INFORMATION CONTACT: Eugene Degnan or Robert Bolling, AD/CVD Operations, Office 8, Import Administration, International Trade

Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-0414 or (202) 482-3434, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 8, 2005, the Department of Commerce ("the Department") published in the **Federal Register** a notice of initiation of antidumping duty new shipper reviews of wooden bedroom furniture from the People's Republic of China for the period June 24, 2004, through June 30, 2005. *See Wooden Bedroom Furniture from the People's Republic of China; Initiation of New Shipper Reviews*, 70 FR 53344 (September 8, 2005). The preliminary results of the new shipper reviews are currently due no later than February 26, 2006.

Extension of Time Limit for Preliminary Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue preliminary results within 180 days after the date on which the new shipper reviews were initiated. However, if the Department concludes that the case is extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act allows the Department to extend the 180-day period to a maximum of 300 days.

The Department finds that the complicated nature of this review necessitates an extension of time beyond the 180-day period to complete the preliminary results. There are four distinct new shipper reviews underway for the following entities: Shenyang Kunyu Wood Industry Co., Ltd. ("Kunyu"); Dongguan Landmark Furniture Products Ltd.; Meikangchi (Nantong) Furniture Company Ltd. ("Meikangchi"); and WBE Industries (Hui-Yang) Co., Ltd. Two of the respondents, Kunyu and Meikangchi, are participating pro se, and may require additional assistance pursuant to section 782(c)(2) of the Act. Further, there are significant and complicated issues surrounding the Department's normal value calculation for wooden bedroom furniture, particularly with respect to the valuation of the many factors of production associated with wooden bedroom furniture production. Accordingly, the Department requires additional time to properly analyze the respondents' questionnaire responses, issue multiple supplemental questionnaires, and conduct any appropriate verifications in these new shipper reviews. Therefore, in accordance with section 751(a)(2)(B)(iv)

of the Act, the Department is extending the time limit for the preliminary results to these reviews by 120 days, until no later than June 26, 2006.

Dated: February 21, 2006.

Deputy Assistant Secretary for Import Administration.

Certain Corrosion-Resistant Carbon Steel Flat Products From France: Extension of Time Limits for Preliminary Results and Final Results of Full Sunset Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: February 28, 2006.

FOR FURTHER INFORMATION CONTACT: Stephanie Moore or David Goldberger, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3692 or (202) 482-4136, respectively.

SUPPLEMENTARY INFORMATION:

Extension of Time Limits:

On November 1, 2005, the Department of Commerce ("the Department") initiated sunset reviews of the countervailing duty ("CVD") order on certain corrosion-resistant carbon steel flat products ("CORE") from France, pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). *See Initiation of Five-Year (Sunset) Reviews*, 70 FR 65884 (November 1, 2005). Based on adequate responses from the domestic and respondent interested parties, the Department is conducting a full sunset review to determine whether revocation of the CVD order on CORE from France would lead to the continuation or recurrence of a countervailable subsidy. *See* section 19 CFR 351.218(e)(2)(i) of the Act.

In accordance with section 751(c)(5)(B) of the Act, the Department may extend the period of time for making its determination in a sunset review by not more than 90 days, if it determines that the review is extraordinarily complicated. As set forth in section 751(c)(5)(C)(v) of the Act, the Department may treat a sunset review as extraordinarily complicated if it is a

review of a transition order. The sunset review subject to this notice is a review of a transition order. Therefore, the Department has determined, pursuant to section 751(c)(5)(C)(v) of the Act, that the sunset review of the CVD order on CORE from France is extraordinarily complicated and requires additional time for the Department to complete its analysis. Accordingly, the Department will extend the deadline in this proceeding, and, as a result, intends to issue the preliminary results of the sunset review of the CVD order on CORE from France on or about May 23, 2006, and the final results of that review on September 27, 2006. These dates are 90 days from the original scheduled dates of the preliminary and final results of this sunset review.

This notice is issued and published in accordance with sections 751(c)(5)(B) and (C) of the Act.

Dated: February 21, 2006.

Deputy Assistant Secretary for Import Administration.
