Purpose of the Program: The Carol M. White Physical Education Program (PEP) provides grants to local educational agencies and community-based organizations to initiate, expand, or enhance physical education programs, including after-school programs, for students in kindergarten through 12th grade. Grant recipients must implement programs that help students make progress toward meeting State standards.

Priorities: This competition includes one absolute priority and one competitive preference priority. These priorities are as follows:

Absolute Priority: In accordance with 34 CFR 75.105(b)(2)(iv), the following priority is from sections 5503 and 5504(a) of the Elementary and Secondary Education Act of 1965, as amended by the No Child Left Behind Act of 2001 (ESEA). (20 U.S.C. 7261b, 7261c) For FY 2006, and any year in which we make awards based on the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we

consider only applications that meet this priority.

This priority is: The initiation, expansion, and improvement of physical education programs (including after-school programs) in order to make progress toward meeting State standards for physical education for kindergarten through 12th grade students by (1) providing equipment and support to enable students to participate actively in physical education activities; and (2) providing funds for staff and teacher training and education.

A physical education program funded under this absolute priority must provide for one or more of the following:

(1) Fitness education and assessment to help students understand, improve, or maintain their physical well-being.

(2) Instruction in a variety of motor skills and physical activities designed to enhance the physical, mental, and social or emotional development of every student.

(3) Development of, and instruction in, cognitive concepts about motor skills and physical fitness that support a lifelong healthy lifestyle.

(4) Opportunities to develop positive social and cooperative skills through physical activity participation.

(5) Instruction in healthy eating habits and good nutrition.

(6) Opportunities for professional development for teachers of physical education to stay abreast of the latest research, issues, and trends in the field of physical education.

Competitive Preference Priority:

Within this absolute priority, we give competitive preference to applications that address the following priority. This priority is from 34 CFR 75.225. For FY 2006, and any subsequent year in which we make awards based on the list of unfunded applicants from this competition, this priority is a competitive preference priority. Under 34 CFR 75.105(c)(2)(ii), we award an additional five points to an application that meets this priority.

This priority is for applications from novice applicants.

The term *novice applicant* means any applicant for a grant from the U.S. Department of Education that—

(1) Has never received a grant or subgrant under the program from which it seeks funding;

(2) Has never been a member of a group application, submitted in accordance with 34 CFR 75.127 through 75.129, that received a grant under the program from which it seeks funding; and

(3) Has not had an active discretionary grant from the Federal

Government in the five years before the deadline date for applications under this program (PEP) or its predecessor program (the Physical Education for Progress Program). For the purposes of this requirement, a grant is active until the end of the grant's project or funding period, including any extensions of those periods that extend the grantee's authority to obligate funds.

In the case of a group application submitted in accordance with 34 CFR 75.127 through 75.129, all group members must meet the requirements described in this priority to qualify as a novice applicant.

Program Authority: 20 U.S.C. 7261–7261f.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, and 99.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

Emergency Response and Crisis Management Grant Program

AGENCY: Office of Safe and Drug-Free Schools, Department of Education.

ACTION: Notice of proposed priorities and application requirements.

SUMMARY: The Assistant Deputy Secretary for Safe and Drug-Free Schools proposes two priorities and two application requirements under the Emergency Response and Crisis Management (ERCM) Grant program. We may use one or more of these priorities and application requirements for competitions in Fiscal Year (FY) 2006 and later years. We also may use the priority and application requirements developed in FY 2005, and published in the **Federal Register** on June 21, 2005 (70 FR 35652), for competitions in FY 2006 and later years. We take this action to focus Federal financial assistance on supporting grants to local educational agencies (LEAs) that are at high risk for crisis situations, as well as those that have not yet received funding under this program. This action is also intended to modify an application requirement the Department established in FY 2005 for LEAs to support the implementation of the National Incident Management System (NIMS) and to propose an additional application requirement for LEAs to develop written plans to address outbreaks of infectious diseases.

DATES: We must receive your comments on or before March 31, 2006.

ADDRESSES: Address all comments about the proposed priorities and application requirements to Sara Strizzi, U.S. Department of Education, 400 Maryland Avenue, SW., room 3E320, Washington, DC 20202-6450. If you prefer to send your comments through the Internet, use the following address: sara.strizzi@ed.gov.

FOR FURTHER INFORMATION CONTACT: Sara Strizzi. Telephone: (303) 346-0924 or via Internet: sara.strizzi@ed.gov.

Background: The events of September 11, 2001, and more recently, Hurricanes Katrina and Rita, reinforce the need for schools and communities to plan for
