

SUPPLEMENTARY INFORMATION:

Title: Qualified Lessee Construction Allowances for Short-Term Leases.

OMB Number: 1545–1661.

Regulation Project Number: TD 8901.

Abstract: This document contains final regulations concerning an exclusion from gross income for qualified lessee construction allowances provided by a lessor to a lessee for the purpose of constructing long-lived property to be used by the lessee pursuant to a short-term lease. The final regulations affect a lessor and a lessee paying and receiving, respectively, qualified lessee construction allowances that are depreciated by a lessor as nonresidential real property and excluded from the lessee's gross income. The final regulations provide guidance on the exclusion, the information required to be furnished by the lessor and the lessee, and the time and manner for providing that information to the IRS.

Current Actions: There is no change to the burden previously approved.

Type of Review: Extension of a currently approved collection.

Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents: 10,000.

Estimated Time per Respondent: 1 hour.

Estimated Total Annual Burden Hours: 10,000.

The following paragraph applies to all the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number.

Books or records relating to a collection of information must be retained if their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Desired Focus of Comments: The Internal Revenue Service (IRS) is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., by permitting electronic submissions of responses.

Comments submitted in response to this notice will be summarized and/or included in the ICR for OMB approval of the extension of the information collection; they will also become a matter of public record.

Approved: March 6, 2018.
