Notice of Emergency Closure of Public Lands in Tuolumne County, CA

SUMMARY: Notice is hereby given that approximately 80 acres of public lands have been temporarily closed to all public uses that could result in death or injury to nearby residents or private property damage through the use of firearms, ignition of a wildfire, and/or damaging or destroying vegetation and associated wildlife habitat. Prohibited activities include, but are not limited to the use of firearms for target shooting or hunting, the operation of motorized vehicles or other internal combustion engines in any capacity, camping, or ignition of any open fires. This closure is made under the authority of 43 CFR 8364.1 Closure and Restriction Orders.

The closed area is in the vicinity of Lake Don Pedro in Tuolumne County, and is within T2S, R15E, Section 31, NE ¼, NE ¼, and Section 32, NW ¼, NW ¼, Mount Diablo Baseline and Meridian. All entry will be selectively restricted during this emergency closure to protect persons, property, public lands, and natural resources.

Closure signs will be posted at main entry points to this area, and a fence will be constructed to exclude vehicle entry.

DATES: The emergency closure will remain in effect until the Folsom Field Office completes a Resource Management Plan in 2007 which will establish permanent rules for the public use of the property.

ADDRESSES: Maps of the closure area may be obtained from the Folsom Field Office, 63 Natoma Street, Folsom, California, 95630. Phone (916) 985-4474.

FOR FURTHER INFORMATION CONTACT: Deane Swickard, Folsom Field Office Manager, (916) 985-4474.

SUPPLEMENTARY INFORMATION: The approximately 80 acres of public land known locally as the Salambo Mine has been receiving inappropriate use that constitutes chronic abuse of the public lands, including unregulated and indiscriminate firearms use, uncontrolled off-road vehicle use, noisy parties with large bonfires and underage drinking that continue well into the evening hours, trash dumping, and destruction of native vegetation and associated wildlife habitat. Neighbors in a near-by residential area consider these public lands, because of how they are used, a public nuisance, as does the Don

Pedro Recreation Agency, a subdivision of the Turlock Irrigation District which manages Lake Don Pedro for public recreation.

These public lands will remain open during daylight hours to access by other than motorized vehicle, and to uses that do not involve firearms.

Exemptions: Persons who are exempt from these rules include: Federal, State, or local officers or employees in the scope of their duties; and members of any organized rescue or fire-fighting force in performance of an official duty.

Penalties: Any person who fails to comply with the provisions of this closure order may be subject to the penalties provided in 43 CFR 8360.0-7, which include a fine not to exceed \$1,000 and/or imprisonment not to exceed 12 months.

Dated: January 5, 2006.

D.K. Swickard,

Folsom Field Manager.

Disclaimer of Interest in Lands, Idaho

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: An application has been filed by Peter W. Ware, Jr., Attorney at Law on behalf of Roy and Donna Johnson and Willowbrook Development Partners II, LLC, for a recordable disclaimer of interest from the United States.

DATES: Comments or protests to this action should be received by June 6, 2006.

ADDRESSES: Comments or protests must be filed with: State Director (ID933),

Bureau of Land Management, 1387 S. Vinnell Way, Boise, ID 83709.

FOR FURTHER INFORMATION CONTACT:

Contact Cathie Foster, BLM, Idaho State Office, 1387 S. Vinnell Way, Boise, Idaho 83709, (208) 373-3863 or Mike Truden, BLM, Four Rivers Field Office, 3948 Development Avenue, Boise, Idaho 83705, (208) 384-3450.

SUPPLEMENTARY INFORMATION: Pursuant to Section 315 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1745), Peter W. Ware, Jr., has filed an application requesting the United States issue a recordable disclaimer of interest. The disclaimer of interest has been requested to disclaim and release all interest that the United States might have to a stock driveway, as reserved in Patent No. 11-2006-0007 dated January 4, 2006, to wit:

"A right-of-way to the United States over and across a 100 foot strip measured parallel and adjacent to the east boundary of the SE $\frac{1}{4}$ NE $\frac{1}{4}$ of said Section 25, T. 5 N., R. 2 W., and extending south 100 feet into the NE $\frac{1}{4}$ SE $\frac{1}{4}$ of said Section 25; thence east parallel and adjacent to the north boundary of the NE $\frac{1}{4}$ SE $\frac{1}{4}$ of said Section 25 and Lot 3 of said Section 30, T. 5 N., R. 1 W., to a point 100 feet west of the east boundary of said Lot 3; thence south parallel and adjacent to the east boundary of said Lot 3 and extending south 100 feet into Lot 4 of said section 30 and then east 100 feet parallel and adjacent to the north boundary of said Lot 4, for stock driveway purposes."

Based on a field exam and report prepared by the BLM's Four Rivers Field Office, the reservation is no longer needed to provide access to the public land because re-conveyance of adjacent private land to the United States has provided access to a previously land-locked parcel of public land. Also, development in the area has resulted in public roads providing a more efficient method of moving livestock between properties. Therefore, the application by Peter W. Ware, Jr. for a disclaimer for the stock driveway reservation in Patent No. 11-2006-0007 from the United States will be approved if no valid objection is received. This action will clear a cloud on the title of Roy and Donna Johnson's and Willowbrook Development Partners II, LLC's land.

Comments, including names and street addresses of respondents will be available for public review at the Idaho State Office, Bureau of Land Management, 1387 S. Vinnell Way, Boise, Idaho during regular business hours 9 a.m. to 4 p.m. Monday through Friday, except holidays. Individual respondents may request confidentiality. If you wish to withhold your name or address from public review or from disclosure under the

Freedom of Information Act, you must state this prominently at the beginning of your comments. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses and from individuals identifying themselves as representatives or officials of organizations or businesses will be made available for public inspection in their entirety.

Chief, Branch of Lands, Minerals and Water Rights, Resource Services Division.
