

Claytor dam off Route 799 (Claytor Dam Road). All participants are responsible for their own transportation. Anyone with questions about the site visit should contact Ms. Teresa Rogers of Appalachian Power at (540) 985-2441, or via e-mail at tprogers@aep.com on or before March 30, 2006.

Scoping Meeting Objectives

At the scoping meetings, staff will: (1) Present a proposed list of issues to be addressed in the EA; (2) review and discuss existing conditions and resource agency management objectives; (3) review and discuss existing information and identify preliminary information and study needs; (4) review and discuss the process plan and schedule for pre-filing activity that incorporates the time frames provided for in part 5 of the Commission's regulations and, to the extent possible, maximizes coordination of Federal, state, and tribal permitting and certification processes; and (5) discuss requests by any federal or state agency or Indian tribe acting as a cooperating agency for development of an environmental document.

Meeting participants should come prepared to discuss their issues and/or concerns. Please review the PAD in preparation for the scoping meetings. Directions on how to obtain a copy of the PAD and SD1 are included in item n of this document.

Scoping Meeting Procedures

The meetings will be recorded by a stenographer and will become part of the formal Commission record on the project.

Magalie R. Salas,
Secretary.

Central New York Oil and Gas Company, LLC; Notice of Compliance Filing

March 7, 2006.

Take notice that, on February 23, 2006, Central New York Oil and Gas Company, LLC (CNYOG), tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1, Substitute Original Sheet No. 75A and Substitute Third Revised Sheet No. 98, to become effective February 6, 2006.

CNYOG states that the filing is being made to comply with the Commission's

order dated February 3, 2006 in this proceeding.

CNYOG states that copies of the filing were served on the company's jurisdictional customers and interested state commissions.

Any person desiring to protest this filing must file in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). Protests to this filing will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Such protests must be filed in accordance with the provisions of § 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing a protest must serve a copy of that document on all the parties to the proceeding.

The Commission encourages electronic submission of protests in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). Colorado Interstate Gas Company Public Service Company of Colorado; Notice of Applications

March 7, 2006.

Take notice that on February 27, 2006, Colorado Interstate Gas Company (CIG), P.O. Box 1087, Colorado Springs, Colorado 80944, filed an application in Docket No. CP06-70-000, pursuant to

section 7(b) and (c) of the Natural Gas Act (NGA) and part 157 of the Commission's regulations, for authorization to abandon certain delivery laterals and related metering facilities located in Morgan County, Colorado, and for authorization to retain certain capacity on those facilities under a lease. CIG intends to abandon the subject facilities by sale to Public Service Company of Colorado. Concurrently, CIG intends to retain a portion of the capacity under lease on the subject facilities until June 30, 2007 when it completes its contractual obligations for firm transportation service to Manchief Power Company, LLC. On March 3, 2006, Public Service Company of Colorado (PSC), 1225 17th Street, Denver, Colorado also filed an application in Docket No. CP06-79-000, pursuant to section 7(c) of the NGA for a limited jurisdiction certificate authorizing the lease by PSC of subject interstate pipeline capacity back to CIG.

These applications are on file with the Commission and open for public inspection. The filings are available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link.
