Persulfates from the People's Republic of China: Notice of Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 17, 2006.

FOR FURTHER INFORMATION CONTACT: Charles Riggle at (202) 482–0650 or Fran Veith at (202) 482–4295, Import Administration, Room 1870, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On July 1, 2005, the Department of Commerce (“the Department”) published a notice of opportunity to request an administrative review of the antidumping duty order on persulfates from the People's Republic of China (“PRC”). See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation: Opportunity to Request Administrative Review*, 70 FR 38099 (July 1, 2005). On July 15, 2005, FMC Corporation’s (“FMC”) requested that the Department conduct an administrative review of Shanghai AJ Import and Export Corporation and Degussa–AJ (Shanghai) Initiators Co., Ltd. (collectively, “Degussa–AJ”). The Department published a notice of the initiation of the antidumping duty administrative review of persulfates from the PRC for the period July 1, 2004, through June 30, 2005. See *Notice Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in*

Part, 70 FR 51009 (August 29, 2005). On February 10, 2006, FMC withdrew its request for an administrative review.

Rescission of Review

The Department's regulations at 19 CFR 351.213(d)(1) provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review, or withdraws its request at a later date if the Department determines that it is reasonable to extend the time limit for withdrawing the request. FMC withdrew its request after the 90-day deadline; however, consistent with the Department's practice,¹ the Department finds it reasonable to extend the withdrawal deadline because the Department has not yet devoted considerable time and resources to this review and FMC is the only party to request a review. Further, we find that FMC's withdrawal does not constitute an abuse of our procedures. Therefore, we are rescinding this review of the antidumping duty order on persulfates from the PRC covering the period July 1, 2004, through June 30, 2005. The Department will issue appropriate assessment instructions directly to U.S. Customs and Border Protection within 15 days of publication of this rescission.

Notification Regarding APOs

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

International Trade Administration

[A-122-838]

Notice of Final Results of Antidumping Duty Changed Circumstances Review: Certain Softwood Lumber Products from Canada

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 17, 2006.

FOR FURTHER INFORMATION CONTACT: Shane Subler or David Neubacher at (202) 482-0189 or (202) 482-5823, respectively; AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230.

SUMMARY: The Department of Commerce (the Department) has determined, pursuant to section 751(b) of the Tariff Act of 1930, as amended (the Act), that the post-acquisition West Fraser Mills Ltd. (West Fraser) is the successor-in-interest to pre-acquisition West Fraser and, as a result, should continue to be accorded the same treatment previously accorded with regard to the antidumping order on certain softwood lumber products from Canada as of the date of publication of this notice in the **Federal Register**.

SUPPLEMENTARY INFORMATION:

Background

On January 13, 2006, the Department published in the **Federal Register** the preliminary results of this changed circumstances review.¹ For the *Preliminary Results*, we found that the post-acquisition West Fraser was the successor-in-interest to pre-acquisition West Fraser.

We invited parties to comment on the *Preliminary Results* and received a case brief from a domestic interested party² and a rebuttal brief from West Fraser.

¹ See *Notice of Preliminary Results of Antidumping Duty Changed Circumstances Review: Certain Softwood Lumber Products from Canada*, 71 FR 2189 (January 13, 2006) (*Preliminary Results*).

² The domestic interested party is the Coalition for Fair Lumber Imports Executive Committee.

We did not receive a request for a hearing.

Scope of the Order³

The products covered by this order are softwood lumber, flooring and siding (softwood lumber products). Softwood lumber products include all products classified under subheadings 4407.1000, 4409.1010, 4409.1090, and 4409.1020, respectively, of the Harmonized Tariff Schedule of the United States (HTSUS), and any softwood lumber, flooring and siding described below. These softwood lumber products include:

- (1) Coniferous wood, sawn or chipped lengthwise, sliced or peeled, whether or not planed, sanded or finger-jointed, of a thickness exceeding six millimeters;
- (2) Coniferous wood siding (including strips and friezes for parquet flooring, not assembled) continuously shaped (tongued, grooved, rabbeted, chamfered, v-jointed, beaded, molded, rounded or the like) along any of its edges or faces, whether or not planed, sanded or finger-jointed;
- (3) Other coniferous wood (including strips and friezes for parquet flooring, not assembled) continuously shaped (tongued, grooved, rabbeted, chamfered, v-jointed, beaded, molded, rounded or the like) along any of its edges or faces (other than wood mouldings and wood dowel rods) whether or not planed, sanded or finger-jointed; and
- (4) Coniferous wood flooring (including strips and friezes for parquet flooring, not assembled) continuously shaped (tongued, grooved, rabbeted, chamfered, v-jointed, beaded, molded, rounded or the like) along any of its edges or faces, whether or not planed, sanded or finger-jointed.

³ For the *Preliminary Results* and other segments of this proceeding, the Department erroneously described the scope as it was stated in the Department's final determination of the original less than fair value (LTFV) investigation. As a result of discussions between the Department and U.S. Customs and Border Protection (CBP), minor wording changes were made between the final determination and the order. Therefore, we have used herein the scope language exactly as stated in the order, as we will continue to do for all following segments of this proceeding. We note that the edits made to the language between the final determination and the order did not alter or modify in any way the products covered by the scope. See *Notice of Final Determination of Sales at Less Than Fair Value: Certain Softwood Lumber Products from Canada*, 67 FR 15539 (April 2, 2002); see also *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Certain Softwood Lumber Products From Canada*, 67 FR 36067 (May 22, 2002).
