

of testing and training that has occurred to date.¹⁰

Therefore, the Exchange believes it is appropriate to extend the Pilot through March 24, 2006.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act¹¹ in general, and furthers the objectives of Section 6(b)(5) of the Act¹² in particular, in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes that the proposed rule change is also designed to support the principles of Section 11A(a)(1) of the Act¹³ in that it seeks to assure economically efficient execution of securities transactions, make it practicable for brokers to execute investors' orders in the best market, and provide an opportunity for investors' orders to be executed without the participation of a dealer.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not significantly affect the protection of investors or the public interest; does not impose any significant burden on competition; and by its terms, does not become operative for 30 days from the date on which it was filed, or such shorter time as the

Commission may designate if consistent with the protection of investors and the public interest, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁴ and Rule 19b-4(f)(6) thereunder.¹⁵

A proposed rule change filed under Rule 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii)¹⁶ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the five-day pre-filing notice requirement and the 30-day operative delay and designate the proposed rule change immediately operative upon filing. The Commission believes that waiver of the five-day pre-filing notice requirement and the 30-day operative delay is consistent with the protection of investors and the public interest because it would allow the Pilot to continue without interruption. Accordingly, the Commission designates the proposal to be effective and operative upon filing with the Commission.¹⁷

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Redetermination of Eligibility for Help with Medicare Prescription Drug Plan Costs—0960-NEW. Under the aegis of the Medicare Modernization Act of 2003 (Public Law 108-173), SSA will conduct low-income subsidy eligibility redeterminations for Medicare beneficiaries who filed for the subsidy and were determined by SSA to be eligible. Subsidy eligibility redeterminations will be conducted when: (1) Medicare Part D subsidy beneficiaries use form SSA-1026-REDE to report a change in income, resources,

or household information in response to SSA's inquiry via form SSA-L1026 and (2) Medicare Part D subsidy beneficiaries use form SSA-1026-SCE to report a subsidy-changing event which could potentially impact the amount of their subsidy, including marriage, separation, divorce/annulment, or spousal death. The respondents are current recipients of the Medicare Part D low-income subsidy who will undergo an eligibility redetermination for one of the reasons mentioned above.

Following is a description of the forms in this collection, the number of respondents who will complete them, and their burden data.
