Re: Notice of Suspension and of Proposed
Debarment, File No. EB-06-IH-0853

Dear Mr. Tsao: The Federal Communications Commission ("FCC" or "Commission") has received notice of the conviction of Premio, Inc., f/k/a Premio Computers, Inc. ("Premio") for conspiracy to suppress and eliminate competition in violation of the Sherman Antitrust Act, 15 U.S.C. 1, and for mail fraud and aiding and abetting in violation of 18 U.S.C. 1341 and 2.¹ Consequently, pursuant to 47 CFR 54.521, this letter constitutes official notice of Premio's suspension from the schools and libraries universal service support mechanism ("E-rate program"). In addition, the Enforcement Bureau ("Bureau") hereby notifies Premio that we are commencing debarment proceedings against it.²

Notice of Suspension

Pursuant to section 54.521(a)(4) of the Commission's rules,³ Premio's conviction requires the Bureau to suspend it from participating in any activities associated with or related to the schools and libraries fund mechanism, including the receipt of funds or discounted services through the schools and libraries fund mechanism, or consulting with, assisting, or advising applicants or service providers regarding the schools and libraries support mechanism.⁴ Premio's suspension becomes effective upon the earlier of its receipt of this letter or

publication of notice in the **Federal Register**.⁵

Suspension is immediate pending the Bureau's final debarment determination. Premio may contest this suspension or the scope of this suspension by filing arguments in opposition to the suspension, with any relevant documentation. Premio's request must be received within 30 days after it receives this letter or after notice is published in the **Federal Register**, whichever comes first.⁶ Such requests, however, will not ordinarily be granted.⁷ The Bureau may reverse or limit the scope of suspension only upon a finding of extraordinary circumstances.⁸ Absent extraordinary circumstances, the Bureau will decide any request for reversal or modification of suspension within 90 days of its receipt of such request.⁹

I. Notice of Proposed Debarment

A. Reasons for and Cause of Debarment

The Commission has established procedures to prevent persons who have "defrauded the government or engaged in similar acts through activities associated with or related to the schools and libraries support mechanism" from receiving the benefits associated with that program.¹⁰ Premio pled guilty to antitrust, mail fraud and aiding and abetting charges for activities in connection with its participation in the E-rate program with two school districts in California.

In connection with the antitrust crime charged against Premio, the company admitted that it conspired with one or more vendors of equipment and services related to telecommunications, Internet access and/or internal connections to suppress and eliminate competition for E-rate projects in the West Fresno Elementary School District by allocating contracts and submitting fraudulent and non-competitive bids. More specifically, the company discussed prospective bids for the E-rate project with its co-conspirators, agreed with them who would serve as lead contractor and subcontractor on the project, and worked with consultants who awarded, or influenced the award of, contracts to the conspirators, and disqualified bids from non-conspirators.¹¹ In connection with the mail fraud charged against Premio, the company admitted that it sought payment of more than \$1 million in E-rate funding for telecommunications servers and related installation and maintenance it was purportedly going to provide to the Highland Park School District in California, when in

fact it actually delivered ineligible video conferencing equipment.¹²

These actions constitute the conduct or transactions upon which this debarment proceeding is based.¹³ Moreover, Premio's conviction on the basis of these acts falls within the categories of causes for debarment defined in section 54.521(c) of the Commission's rules.¹⁴ Therefore, pursuant to section 54.521(a)(4) of the Commission's rules, Premio's conviction requires the Bureau to commence debarment proceedings against it.

B. Debarment Procedures

Premio may contest debarment or the scope of the proposed debarment by filing arguments and any relevant documentation within 30 calendar days of the earlier of the receipt of this letter or of publication in the **Federal Register**.¹⁵ Absent extraordinary circumstances, the Bureau will debar Premio.¹⁶ Within 90 days of receipt of any opposition to Premio's suspension and proposed debarment, the Bureau, in the absence of extraordinary circumstances, will provide Premio with notice of its decision to debar.¹⁷ If the Bureau decides to debar Premio, its decision will become effective upon the earlier of Premio's receipt of a debarment notice or publication of the decision in the **Federal Register**.¹⁸

C. Effect of Debarment

If and when Premio's debarment becomes effective, it will be prohibited from participating in activities associated with or related to the schools and libraries support mechanism for some period of time.¹⁹
