*Title:* U.S. Income Tax Return for Estates and Trusts.

*OMB Number:* 1545-0092.

*Form Number:* Form 1041.

*Abstract:* IRC section 6012 requires that an annual income tax return be

filed for estates and trusts. The data is used by the IRS to determine that the estates, trusts, and beneficiaries filed the proper returns and paid the correct tax.

Public Law 115-97, section 14103 has a retroactive effective date of 2017. In order for taxpayers to fulfill their filing obligations and report the correct amount of tax under Section 14103, the IRS developed FAQ's to alert taxpayers how and where to report this income on their 2017 return. A critical part of this effort includes alerting taxpayers of their filing obligations and educating them on how and where this would be reported. The data will be utilized by the IRS to ensure that the correct amount of tax is paid.

## DEPARTMENT OF VETERANS AFFAIRS

### Disruption of Mail Service

**AGENCY:** Department of Veterans Affairs.

**ACTION:** Notice of exception to date of receipt.

**SUMMARY:** In late August 2017, Hurricane Harvey interrupted operations at the Department of Veterans Affairs (VA) regional office in Houston, Texas, as well as postal service in multiple Texas communities. In late September 2017, Hurricane Maria interrupted operations at the VA regional office in Puerto Rico, and postal service throughout the Puerto Rico and U.S. Virgin Islands area. Correspondence containing claims, information, or evidence sent to VA during these periods was likely delayed due to interrupted operations of the regional office or postal service. VA aims to protect the interest of claimants who sent correspondence to the Veterans Benefits Administration (VBA) through the normal channels of communication during these periods and prevent them from possibly being deprived of benefits solely because those channels of communication were disrupted due to events outside of the claimants' control. Therefore, VA is instituting procedures to consider alternative dates as the date of receipt of correspondence.

**FOR FURTHER INFORMATION CONTACT:** Jonathan Hughes, Acting Assistant Director, Policy and Procedures, Compensation Service, Department of Veterans Affairs, 810 Vermont Avenue, NW, Washington, DC 20420, (202) 461-9700 (this is not a toll-free telephone number).

**SUPPLEMENTARY INFORMATION:** A VA regulation, 38 CFR 3.1(r), allows the Under Secretary for Benefits to establish exceptions to VA's rule about date of receipt of claims, information, or evidence. Ordinarily, "date of receipt" means the date on which a claim, information or evidence was received in a VA office. The regulation states that exceptions may be established when a natural or man-made interference with

the normal channels through which VA ordinarily receives correspondence has resulted in one or more VA regional offices experiencing extended delays in receipt of claims, information or evidence to an extent that, if not addressed, the delay would adversely affect such claimants, through no fault of their own.

In late August 2017, Hurricane Harvey interrupted operations at the VA regional office in Houston, Texas, as well as postal service in multiple surrounding Texas communities. In late September 2017, Hurricane Maria interrupted operations at the VA regional office in Puerto Rico, as well as postal service in the Puerto Rico and U.S. Virgin Islands areas. Correspondence containing claims, information or evidence sent to VA during these periods was likely delayed due to interrupted operations of the regional office or postal service. Because regional offices and the mail system were impacted, VA established the following exceptions to the standard rule, on date of receipt.

#### Exceptions to Date of Receipt for Claimants Affected By Hurricane Harvey

VA hereby gives notice that, for purposes of determining the date of entitlement, any correspondence received by VA during the period September 1 through September 7, 2017, from individuals in zip codes designated to have been impacted by Hurricane Harvey that contained claims, information or evidence will be considered received no later than August 31, 2017. Alternatively, if the correspondence was received during the period September 1 through September 7, 2017, but the postmark date is prior to August 31, 2017, the correspondence will be considered received on the date of postmark.

This guidance applies to correspondence received during the designated period from the zip codes designated below.
