POLICIES AND PRACTICES FOR STORAGE OF RECORDS:

DHS stores records in this system electronically or on paper in secure facilities in a locked drawer behind a locked door. The records may be stored on magnetic disc, tape, and digital media.

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

DHS retrieves records by name, job title, date of naturalization, award title, and location where the individual resides or works.

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

DHS retains and disposes of records in accordance with NARA General Records Schedule (GRS) 2.2, item 30. Employee awards files (excluding records relating to Department-level awards and awards for non-DHS individuals) will be destroyed when two years old or two years after award is approved or disapproved, whichever is later, but longer retention is authorized if required for a business use. Individual Components may develop separate retention schedules in consultation with NARA. Records pertaining to Department-level awards and all awards for non-DHS individuals must be scheduled by submitting an SF 115, Request for Records Disposition Authority, to NARA. Records pertaining to biographies for meetings and speaking engagements are retained and disposed of in accordance with NARA GRS 6.4, item 10. Records will be destroyed when three years old, or no longer needed, whichever is later.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

DHS safeguards records in this system according to applicable rules and policies, including all applicable DHS automated systems security and access policies. DHS has imposed strict controls to minimize the risk of compromising the stored information. Access to the computer system containing the records in this system is limited to those individuals who have a need to know the information in furtherance of the performance of their official duties, and who have appropriate clearances or permissions.

RECORD ACCESS PROCEDURES:

Individuals seeking access to and notification of any record contained in this system of records, or seeking to contest its content, may submit a request in writing to the Chief Privacy Officer and Chief FOIA Officer, whose contact information can be found at *http://www.dhs.gov/foia* under ''Contacts Information.'' If an individual believes more than one component maintains Privacy Act records concerning him or her, the individual may submit the request to the Chief Privacy Officer and Chief FOIA Officer, Department of Homeland Security, Washington, DC 20528–0655. Even if neither the Privacy Act nor the JRA provide a right of access, certain records about a person may be available under FOIA.

When an individual is seeking records about himself or herself from this system of records or any other Departmental system of records, the individual's request must conform with the Privacy Act regulations set forth in 6 CFR part 5. The individual must first verify his/her identity, meaning that the individual must provide his/her full name, current address, and date and place of birth. The individual must sign the request, and the individual's signature must either be notarized or submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization. While no specific form is required, an individual may obtain forms for this purpose from the Chief Privacy Officer and Chief FOIA Officer, *http://www.dhs.gov/foia* or 1–866–431–0486. In addition, the individual should:

- Explain why the individual believes the Department would have information on him/her;
- Identify which component(s) of the Department the individual believes may have the information about him/her;
- Specify when the individual believes the records would have been created; and
- Provide any other information that will help the FOIA staff determine which DHS component agency may have responsive records;

If an individual's request is seeking records pertaining to another living individual, the first individual must include a statement from the second individual certifying his/her agreement for the first individual to access his/her records. Without the above information, the component(s) may not be able to conduct an effective search, and the individual's request may be denied due to lack of specificity or lack of compliance with applicable regulations.

CONTESTING RECORD PROCEDURES:

For records covered by the Privacy Act or covered JRA records, see ''Record Access Procedures'' above.

NOTIFICATION PROCEDURES:

See ''Record Access Procedures.''

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR–6090–N–01]

Notice of Annual Factors for Determining Public Housing Agency Administrative Fees for the Section 8 Housing Choice Voucher, Mainstream, and Moderate Rehabilitation Programs

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Notice.

SUMMARY: This Notice announces the monthly per unit fee rates for use in determining the on-going administrative fees for housing agencies administering the Housing Choice Voucher (HCV), 5 Year Mainstream, and Moderate Rehabilitation programs, including Single Room Occupancy, during calendar year (CY) 2018.

DATES: *Applicability Date:* January 1, 2018.

FOR FURTHER INFORMATION CONTACT: Miguel A. Fontánez, Director, Housing Voucher Financial Management Division, Office of Public Housing and Voucher Programs, Office of Public and Indian Housing, Department of Housing and Urban Development, Room 4222, 451 Seventh Street SW, Washington, DC 20410–8000, telephone number 202–402–2934. (This is not a toll-free number). Hearing or speech impaired individuals may call TTY number 1–800–877–8337.

SUPPLEMENTARY INFORMATION:

A. Background

This Notice provides the Department's methodology used to determine the CY 2018 administrative fee rates by area, which the Office of Housing Voucher Programs (OHVP) will use to compensate public housing agencies (PHA) for administering the HCV programs.

B. CY 2018 Methodology

For CY 2018, in accordance with the Continuing Resolution (or

Appropriations Act superseding it after March 26, 2018), administrative fees will be earned on the basis of vouchers leased as of the first day of each month. This data will be extracted from the Voucher Management System (VMS) at the close of each reporting cycle and validated prior to use.

Two fee rates are provided for each PHA. The first rate, Column A, applies to the first 7200 voucher unit months leased in CY 2018. The second rate, Column B, applies to all remaining voucher unit months leased in CY 2018. In years prior to 2010, a Column C rate was also established, which applied to all voucher unit months leased in dwelling units owned by the PHA. For CY 2018, as in recent years, there are no Column C administrative fee rates. Fees for leasing HA-owned units will be earned in the same manner and at the same Column A and Column B rates as for all other Voucher leasing.

The fee rates established for CY 2018, using the standard procedures, in some cases resulted in fee rates lower than those established for CY 2017. In those cases, the affected PHAs are being held harmless at the CY 2017 fee rates.

The fee rates for each PHA are generally those rates covering the fee areas in which each PHA has the greatest proportion of its participants, based on Public Housing Information Center (PIC) data submitted by the PHA. In some cases, PHAs have participants in more than one fee area. If such a PHA so chooses, the PHA may request that the Department establish a blended fee rate schedule that will consider proportionately all areas in which participants are located. Once a blended rate schedule is established, it will be used to determine the PHA's fee eligibility for all months in CY 2018. The PHAs will be advised via the 2018 HCV Funding Implementation Notice of when they may apply for blended fee rates and the deadline date for submitting such requests.

PHAs that operate over a large geographic area, defined as multiple counties, may request a higher administrative fee rate if eligible under the circumstance which will be described in the CY 2018 HCV Funding Implementation Notice. This notice will advise the PHAs when to apply for higher fee rates and the deadline date for such requests.

Accordingly, the Department issues the monthly per voucher unit fee rates to be used to determine PHA administrative fee eligibility for the programs identified in this Notice. These fee rates are posted on HUD's website at: *http://portal.hud.gov/hudportal/HUD?src=/program_offices/public_indian_housing/programs/hcv.,* under Program Related Information.

Any questions concerning this Notice should be directed to the PHA's assigned representative at the Financial Management Center or to the Financial Management Division at *PIH.Financial.Management.Division@hud.gov.*

C. MTW Agencies

Where an MTW Agency has an alternative formula for calculating HCV Administrative Fees in Attachment A of their MTW Agreements, HUD will continue to calculate the HCV Administrative Fees in accordance with that MTW Agreement provision.

Dated: March 27, 2018.

Dominique Blom,

General Deputy Assistant Secretary for Public and Indian Housing.
